Love from Both Sides Book In The Love series:

The Making of Romantic Love William M. Reddy, 2012-08-30 Here Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and render it innocent or innocent enough Reddy strikes out from this historical moment on an exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal

Love's Mountain Quest (Hearts of Montana Book #2) Misty M. Beller, 2020-06-30 Young widow Joanna Watson is struggling to make a new home for her five year old son Samuel in the little mountain town of Settler's Fort When she returns home from work to find Samuel and the woman watching him missing with no lawman in town she enlists a man she prays has enough experience in this rugged country to help Isaac Bowen wants nothing more than a quiet invisible life in these mountains far away from the bad decisions of his past But he has a strong suspicion of who's behind the kidnapping and if he's right he knows all too well the evil they're chasing As they press on against the elements Joanna fights to hold on to hope while Isaac knows a reckoning is coming They find encouragement in the tentative trust that grows between them but whether it can withstand the danger and coming confrontation is far from certain in this wild unpredictable land

The Triumph of Love Eric Reitan, 2017-07-31 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same sex marriage Many Christians see these changes as a defeat for Christian values often painting Christian opponents as sell outs to secular culture But can there be a genuinely Christian case for same sex marriage This book makes that case While sensitive to scriptural issues it focuses on a question that cannot be answered by Scripture alone What does love for our gay and lesbian neighbors demand This question calls us to pair theological philosophical and scriptural reflection with something else attention to gay and lesbian lives We must attend to the psychological research and more importantly to the stories our gay and lesbian neighbors tell us about themselves and their experience Love does not permit us to plug our ears with Bible verses While this book argues that Christian love calls us to make same sex marriage available the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love love for those with whom we disagree and love for those most affected by the decisions we reach

Love's Faithful Promise (Courage to Dream Book #3) Susan Anne Mason, 2016-09-13 A Stirring Story of Love and Faith and America's Great Promise When her mother suffers a stroke medical student Deirdre O'Leary makes the difficult choice to put her career on hold to care for her Dr Matthew Clayborne is renowned for his amazing results with patients but when Deirdre approaches him about helping her mother she finds him challenging and surly Deirdre has had enough of complicated men in her life After her fiancé left her she vowed never to give a man that kind of power again Widower Dr Matthew Clayborne is devoted to two things his work with wounded soldiers and his four year old daughter Phoebe He won't abandon either of these priorities to care for one older woman However when Phoebe suffers a health scare they're offered respite at the Irish Meadows farm where his daughter's weakened lungs can recover but only if he cares for Mrs O'Leary

Matthew intends to hate Irish Meadows yet he immediately feels at home and soon both Mrs O Leary and Phoebe are showing improvement But since he has no intention of leaving his life up north forever and Deirdre has sworn off marriage in favor of her career how will they deal with the undeniable attraction between them

I Love the Church, I Hate the Church Robert R. LaRoche, 2022-02-03 Is it possible to both love and hate the church at one and the same time Bob LaRoche has had a lot of experience with different churches Raised a Roman Catholic he was ordained a Permanent Deacon in that church After a period of intense soul searching he left the Catholic Church and embarked on a career in ordained Protestant ministry serving congregations in both the United Church of Christ and the Evangelical Lutheran Church in America Through most of the same time he also worked in the field of education first as a teacher and for most of his career as a counselor Balancing personal experience with historical and theological background and reflection I Love the Church I Hate the Church combines factual information theological analysis and deep seated personal feelings all inviting the reader to take a look at the church perhaps in ways that she or he never has before

George Bishop Maryann S. Feola, 1996 During the English Civil Wars George Bishop entered public service as a Parliamentary soldier and intelligence agent He was among those who recommended harsh measures in reckoning with King Charles I Bishop spoke out against the high handed tactics Cromwell used in his struggles with the Lord Protector's policy towards religious liberty After his duties were curtailed Bishop left public service for local politics but soon became disenchanted by what he regarded as an abandonment of the issues which had cost seas of blood during the wars By 1655 he worked closely with the early Quakers including George Fox and Margaret Fell In response to the violence and arrests the Quakers incited Bishop became a spokesperson for religious liberty and eventually for passive resistance
