Ancient Rome Handbook. A historical guide for travelers Luisa Maesano, 2017-03-20 Scipio Caesar Augustus Nero Marcus Aurelius what was the secret to their power And the famous Republic was it really democracy How were the legions structured Who exactly were the slaves the gladiators and the barbarians What caused the mighty Empire to finally fall The Handbook is a comprehensive summary of ancient Rome's history organized in a totally new format that makes it understandable and easy to scroll It is the compelling story of Rome from its humble beginnings to the fall of a dominant empire The book is made up of brief paragraphs with a clear focus on events put into their political and social context With more than 500 photographs all linked to Google Maps A History of Ancient Rome Handbook for Travelers couples the historical facts to the places where they actually occurred making it a truly unique historical guide The Handbook is an especially useful tool for an archaeological exploration of Rome Using the internal links in the text you can quickly return to key passages characters clarify unfamiliar words and deepen political military and social aspects of events There is no shortage of curiosities and anecdotes The Handbook never veers from the facts and is always reliably historical The date abbreviations BC before Christ and AD anno domini are used throughout the book as they are most familiar to the author The author apologizes for she is well aware of the modern terms BCE Before Common Era and CE Common Era used by the academic community and NASA These modern terms actually reflect historical correctness given that Christ's birth date should be around 6 BCE And why is that Well you'll just have to check it out in the Handbook
