I'D DONE THE IMPOSSIBLE: I'D CONVINCED ALEX TO GO apple picking.

I *might* have cheated and tricked him into agreeing during sex—he was far more accommodating after an orgasm—but to be fair, I was sure he didn't hate the countryside and fall activities as much as he proclaimed.

Case in point: we'd been apple picking for hours, and he hadn't once complained. He hadn't gushed about it either, but it was Alex. He didn't gush about anything. The fact that he hadn't killed anyone was proof enough he was enjoying himself.

"A little to the left...a little more...perfect!" I plucked the apple I'd been eyeing off the tree and dropped it into my basket. Since it was too high for me to reach, Alex had hoisted me onto his shoulders and let me use him as my personal ladder. "I think that's the last one."

"Good." He lowered me onto the ground, his tone dry. "Any more and you would've picked all the trees bare."

I let out a small huff. "You're exaggerating."

We stared down at my overflowing basket. It was my fifth one that day.

heartbreaking scenes of devastation and violence steeling him further to take a personal role in helping anywhere he could At home in Harare Vita was nursing Chipo back to health Soon she and Tucker decided to alter their lives forever they would adopt Chipo That decision challenged an unspoken social norm that foreigners should never adopt Zimbabwean children Raised in rural Mississippi in the sixties and seventies Tucker was familiar with the mores associated with and dictated by race His wife a savvy black woman whose father escaped the Jim Crow South for a new life in the industrial North would not be deterred in her resolve to welcome Chipo into their loving family As if their situation wasn't tenuous enough Zimbabwe President Robert Mugabe was stirring up national fervor against foreigners especially journalists abroad and at home At its peak his antagonizing branded all foreign journalists personae non grata For Tucker the only full time American correspondent in Zimbabwe the declaration was a direct threat to his life and his wife's safety and an ultimatum to their decision to adopt the child who had already become their only daughter Against a background of war terrorism disease and unbearable uncertainty about the future Chipo's story emerges as an inspiring testament to the miracles that love and dogged determination can sometimes achieve Gripping heartbreaking and triumphant this family memoir will resonate throughout the ages
