

A romantic scene featuring a shirtless man and a woman with long dark hair embracing on a rooftop. The man has a large, dark, star-shaped tattoo on his left shoulder. They are both looking down at each other. In the background, a city skyline is visible under a blue sky with some clouds. The overall mood is intimate and passionate.

John Albert Sleicher

Loving On Borrowed Time Lovers Leap Book English Edition:

Frank Leslie's Illustrated Newspaper John Albert Sleicher, 1879 **The Etude. E**, 1904 Includes music Loving on Borrowed Time Olivia Cunning, 2011-06-15 Lara Kensington is living a perfectly mundane life as a museum curator when bad boy treasure hunter Reece Jerhico leaps into her life. Literally. Obviously distressed, Reece tells Lara that one year in the future she will be murdered. The evidence he uses to back up his incredible story doesn't convince Lara. She thinks he's crazy. Especially after he claims to be her future fiancé. Lara would have remembered dating someone as delicious as Reece Jerhico. Hot as Reece is, Lara has a difficult time believing anything the man says until the broken amulet he wears around his neck transports them into different bodies during a different time in a different place: an ancient place, a cold place, a place where Lara arrives naked, hysterical, and Norse. On the run through time, attempting to escape a man who is hell-bent on Lara's lack of a future becoming a reality, the couple must leap from one time and place to another just to stay alive. In the first volume of this sexy and humorous new series, Lara and Reece share an existence with a ruthless Viking and his captive bride and then with a noble medieval knight and the feisty lady he is determined to win.
