Célestin Bouglé

La Deacutemocratie Devant La Science:

La Démocratie devant la science C. Bouglé, 1909 LA DÉMOCRATIE DEVANT LA SCIENCE Célestin

Bouglé, 2023-09-06 Dans *La Démocratie devant la Science* de Célestin Bouglé l'auteur explore la relation complexe entre la démocratie et la science travers une perspective sociologique et politique L'ouvrage analyse comment la démocratie en tant que système politique basé sur la souveraineté du peuple interagit avec le domaine de la science Bouglé examine les défis et les opportunités que la démocratie présente pour la recherche scientifique ainsi que les implications de la démocratisation de la connaissance L'auteur souligne l'importance de l'éducation et de l'accès à la connaissance pour une démocratie fonctionnelle Il discute également des tensions potentielles entre les intérêts politiques et les objectifs scientifiques purs mettant en garde contre les manipulations politiques de la science En fin de compte *La Démocratie devant la Science* offre une réflexion approfondie sur la manière dont la démocratie et la science peuvent coexister et s'influencer mutuellement tout en mettant en évidence l'importance de la préservation de l'intégrité scientifique au sein d'une société démocratique

La démocratie devant la science, 1904 La démocratie Devant la Science Célestin Bouglé, 2015-06-08

Que devons nous penser du mouvement démocratique Les idées galitaires qui le dirigent sont-elles légitimes ou illégitimes pratiques ou utopiques Et nous faut-il en conséquence faire tous nos efforts pour le seconder ou pour l'enrayer cette question vitale si nous répondons d'ordinaire sans hésiter c'est que nous répondons il faut le reconnaître un peu l'aventure Les hasards de la naissance ou de la situation déterminent notre orientation politique Nous nous laissons mener par des traditions ou par des impulsions également irraisonnées Mais vienne une crise de réflexion on s'aperçoit alors que pour décider rationnellement entre les partis adverses il faudrait avoir rationnellement un grand nombre de problèmes préalables
