La Comtesse Des Highlands Jade:

La comtesse des Highlands Elaine Coffman, 2009-06-01 Ecosse 1741 Jamais la comtesse Claire Lennox n'aurait pu devenir un jour chef de clan. Comment aurait-elle pu imaginer que son père et ses trois frères allaient disparaître tragiquement en moins d'un an. Antie par le chagrin, la jeune femme sait pourtant qu'elle n'a pas le choix : en mourant, elle doit assumer son destin, se battre pour conserver le château de ses ancêtres et assurer l'éducation de ses sœurs. Alors, avec courage, elle reprend le flambeau, refusant farouchement l'aide d'un homme et, plus encore, celle d'un poux tant sans bref mariage, huit ans plus tard, lui a laissé de cuisants souvenirs. Quoique conclues dans la liesse, ses noces avec le séduisant Fraser Graham, son amour d'enfance, avaient en effet tourné court. Meurtrie, elle s'était juré de l'oublier. Et pensait y être parvenue jusqu'à ce qu'un bal au château la remette en présence de cet homme tant cher et tant honni. A propos de l'auteur : Avec plus de 15 romans couronnés par de nombreux prix littéraires, Elaine Coffman a le privilège de figurer régulièrement sur la liste des meilleurs auteurs du New York Times. Son style inimitable lui vaut la fidélité de millions de lectrices, qui, comme le magazine *Publishers Weekly*, louent son sens inné de l'intrigue et ses dialogues enlevés. The Athenaeum, 1903 *The Athenaeum* James Silk Buckingham, John Sterling, Frederick Denison Maurice, Henry Stebbing, Charles Wentworth Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1903 *The London Stage 1900-1909* J. P. Wearing, 2013-12-05 For centuries London theatre has celebrated a rich and influential history and in 1976 the first volume of J. P. Wearing's reference series provided scholars and other researchers with an indispensable resource of these productions. In the decades since the original calendars were produced, several research aids have become available, notably various reference works and the digitization of important newspapers and relevant periodicals. *The London Stage 1900-1909: A Calendar of Productions, Performers, and Personnel*, Second Edition, provides a chronological calendar of London shows from January 1900 through December 1909. The volume chronicles more than 3,000 productions at 35 selected major central London theatres during this period. For each entry, the following information is provided: Title, Author, Theatre, Performers, Personnel, Opening and Closing Dates, Number of Performances. Other details include genre of the production, number of acts, and references to reviews. A comment section includes other interesting information such as a plot description, the first-night reception by the audience, noteworthy performances, staging elements, and details of performances in New York, either prior to or after the London production. Among the plays staged in London during this decade were *Candida*, *His House in Order*, *The Only Way*, *The Playboy of the Western World*, *Raffles*, *The Amateur Cracksman*, and *The Scarlet Pimpernel*, as well as numerous musical comedies, British and American foreign works, operas, and revivals of English classics. A definitive resource, this edition revises, corrects, and expands the original well-received calendar. In addition, approximately 20 percent of the material, in particular information of adaptations and translations, plot sources, and comment information, is new. Arranged chronologically, the shows are indexed fully by title, genre, and theatre. A general index also

includes numerous subject entries on such topics as acting audiences censorship costumes managers performers prompters staging ticket prices or other relevant subjects An authoritative reference providing essential details this work will be of value to scholars theatrical personnel librarians writers journalists and historians **The United States Catalog** ,1925
