André Fertier

La Danse Intégrée Danser Avec Un Handicap:

La danse intégrée Muriel Guigou, 2010-06-01 La danse intégrée vise ouvrir au plus grand nombre la pratique de la danse. Depuis quelques années en France certaines compagnies ont ouvert leurs ateliers aux personnes en situation de handicap et produisent des spectacles. Cette démarche créative participe au questionnement de savoir comment vivre ensemble sur la scène et dans la vie. Chorégraphes danseurs éducateurs parlent de leurs expériences et clarifient notre réflexion. Ce livre situe la portée et les limites des pratiques actuelles de la danse intégrée. *Pour une accessibilité des pratiques chorégraphiques*

André Fertier, 2015-11-04 **Danse & handicap visuel** André Fertier, 2014 **La danse, une médiation en psychomotricité** Tiphanie Vennat, 2022-09-13T00:00:00+02:00 La danse comme médiation psychomotrice constitue un outil de choix dans l'accompagnement des patients bébés enfants ou adolescents porteurs de handicap adultes ou personnes âgées et dans le suivi de problématiques aussi diverses que les troubles psychopathologiques ou les atteintes plus strictement fonctionnelles. Dans cet ouvrage très complet organisé autour de six situations cliniques articulées aux savoirs théoriques actuels l'auteur décrit les grands enjeux psychomoteurs de la médiation danse comme le tonus et la posture la sensation les perceptions et les représentations du corps la temporalité et la spatialité. J'ai souhaité passer certains paragraphes sur la danse qui dans l'inconscient collectif est encore très souvent pensée comme une pratique esthétique et performative. A plus forte raison lorsqu'elle est envisagée comme médiation psychomotrice la danse n'est pas concevoir dans une technicité opératoire ni même en référence un standard morphologique de muscles saillants et de grâce. Il faut idéalement partir d'un corps naturel débarrassé de pratiques technicistes du corps qui imposent des standards inatteignables pour bon nombre de patients. Car en réalité la danse n'est pas la propriété de quelques uns elle appartient tous les corps quels que soient leurs gestes leurs genres leurs proportions ou leurs capacités physiques se mobiliser. **Danse, énergie, thérapie** Sylvie Lagache, 2018 La Danse énergie Thérapie DET est une proposition thérapeutique de médiation artistique qui permet de lutter contre l'anxiété et les risques de dépression du fait qu'elle veille en chaque traitement de s'exprimer de créer et de communiquer. Elle favorise la confiance en soi. Elle s'adresse ici spécifiquement aux femmes atteintes d'un cancer du sein aux personnes en situation de handicap et aux enfants malades. Les personnes concernées par le soin thérapeutiques aides soignants accompagnants trouveront des outils artistiques thérapeutiques pour développer une bonne approche relationnelle avec des personnes en souffrance.

Whispering the Secrets of Language: An Emotional Quest through **La Danse Inteacutegreacuttee Danser Avec Un Handicap**

In a digitally-driven earth wherever displays reign great and quick conversation drowns out the subtleties of language, the profound strategies and mental subtleties hidden within phrases usually get unheard. Yet, set within the pages of **La Danse Inteacutegreacuttee Danser Avec Un Handicap** a interesting fictional prize sporting with raw emotions, lies a fantastic quest waiting to be undertaken. Penned by a skilled wordsmith, that charming opus attracts visitors on an introspective journey, gently unraveling the veiled truths and profound affect resonating within the cloth of each word. Within the psychological depths with this moving review, we shall embark upon a heartfelt exploration of the book is core themes, dissect their interesting writing type, and fail to the strong resonance it evokes strong within the recesses of readers hearts.
