The Resistance Matthew Cobb, 2009-06 The French resistance to Nazi occupation during World War II was a struggle in which ordinary people fought for their liberty despite terrible odds and horrifying repression Hundreds of thousands of Frenchmen and women carried out an armed struggle against the Nazis producing underground anti fascist publications and supplying the Allies with vital intelligence Based on hundreds of French eye witness accounts and including recently released archival material The Resistance uses dramatic personal stories to take the reader on one of the great adventures of the 20th century The tale begins with the catastrophic Fall of France in 1940 and shatters the myth of a unified Resistance created by General de Gaulle In fact De Gaulle never understood the Resistance and sought to use dominate and channel it to his own ends Brave men and women set up organisations only to be betrayed or hunted down by the Nazis and to die in front of the firing squad or in the concentration camps Over time the true story of the Resistance got blurred and distorted its heroes and conflicts were forgotten as the movement became a myth By turns exciting tragic and insightful The Resistance reveals how one of the most powerful modern myths came to be forged and provides a gripping account of one of the most striking events in the 20th century *Bulletin de l'Institut d'histoire du temps présent* Institut d'histoire du temps présent (Paris, France), 2000 *Livres de France*, 2001 **Bibliographie nationale française**, 2000 **Point de repère**, 1999 Histoire & liberté, 2006 **Book Review Index**, 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index *Livres hebdo*, 2003 **L'Express**, 1999 Some issues include consecutively pagged section called Madame express *Livre hebdo*, 2001 **Le point**, 1999 Les collections de L'histoire, 2006 Le nouvel observateur, 1999 Les Livres disponibles, 2004 La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde La liste des éditeurs et la liste des collections de langue française
