## Les Pilotes De Chasse Francais 39 45:

*Morane-Saulnier MS.406 Aces* Kari Stenman, Christian-Jacques Ehrengardt, 2014-05-20 The story of the aces who flew the MS 406 an important aircraft not only because it was built in larger numbers than any other French fighter of the period but also because it was the first modern fighter in the Armée de l'Air inventory Although comparable to the British Hurricane and early models of the German Bf 109 it was outclassed when flown against the more powerful and faster Bf 109E With little or no protection no armour or self sealing tanks the MS 406 sustained heavy losses during the Battle of France Too lightly armed and fitted with unreliable weaponry the French fighter struggled to down German bombers It therefore comes as no surprise that only a dozen French pilots became fully fledged aces on the type during this period despite the aircraft being present in significant numbers However a score of pilots who bagged their very first kills at the controls of the MS 406 fought on after the fall of France flying Dewoitine D 520s Spitfires and even Soviet Yak 3s to attain ace status against both Allied and Axis opponents *Pour une histoire de la France Libre* Patrick Harismendy, Erwan Le Gall, 2012
