The Trend Management Toolkit A. Kjaer, 2014-10-07 In a fast moving world businesses need to keep up with data analysis and pattern spotting to identify future opportunities Anne Lise Kjaer presents a unique methodology for global trend spotting along with practical tools and approaches to help companies and organizations analyse market changes and determine the way ahead

Advances in Biographical Methods Maggie O'Neill, Brian Roberts, Andrew Sparkes, 2014-12-05 Rooted in a long and diverse genealogy biographical approaches have developed from a focus upon a single story a life story and personal documents e g diaries to encompass more routinely autobiographical secondary and archival research and analysis as well as multi media arts based creative multi sensory methods Biographical Research and practices as part of human understanding helps people to make sense of what has been and what is happening in their lives cultures communities and societies

Advances in Biographical Methods Creative Applications takes up these themes theorising doing and applying current advances in biographical methods It demonstrates the momentum with which they areas are developing as a field of scholarship especially in relation to creative innovations and applications such as in new forms of interview and other practices and debates on its interlinking with art performance and digital methods

The State and the Advocate Teresita Rosario, 2014-07-11 This book seeks to demonstrate the role of public policy in support of equitable and inclusive development The achievement of this overarching goal rests on an assumption that development does not happen by chance or by accident but rather through the deliberate application of analytical tools which public policy is able to provide Set within an Asian context the book emphasizes the role of public policy in reducing poverty eliminating deprivation promoting equity and ensuring social justice The book likewise aims to provide an argument for the developmental role of the state one which has been the subject of a long standing debate among development scholars In addition the book accounts for the role of civil society organizations particularly their involvement in multi stakeholder participation Through different case studies this book explains the outcome of public policy decisions as combinations of efforts among government and civil society actors to ensure the creation of the most optimal public good Finally the book takes a comparative perspective i e there are cases that directly or indirectly implicate the regional character of public policies that result in the creation and distribution of regional public goods

Radical Realism, Autofictional Narratives and the Reinvention of the Novel Fiona J. Doloughan, 2023-02-14 This monograph treats modes of fictionality in contemporary auto biography memoir and autofiction Adopting a case study approach it demonstrates the extent to which contexts of production and reception are important in framing generic expectations with respect to the

representation of lived experience and in helping to determine the status of the narrator as fictional persona or implied author

Phenomenology of Community Activism Nora Amath, 2015-12-01 The Phenomenology of Community Activism explores how MCSOs have responded to the challenges of the Australian socio political context the perceived impact of these experiences and how Islam is manifested within the contexts of these experiences In contrast to much publicised jihadist and radical groups MCSOs are far more representative of Muslim communities and integral to the long term position of Islam in Australia This book offers researchers policy makers and those engaged in community development a rich understanding of Muslim community building engagement and agency This book reveals what will be surprising to some that there are many and varied MCSOs in Australia that in many ways they are similar to other civil society organisations serve similar purposes and encounter similar issues This is a very important datum to stand against the prejudices about Muslims and their organisations Professor Emeritus Gary Bouma Emeritus Professor of Sociology at Monash University UNESCO Chair in Intercultural and Interreligious Relations Asia Pacific Islamic Studies Series Volume 19
