Communicating Linguistics Hazel Price,Dan McIntyre,2023-01-19

Increasingly academics are called upon to demonstrate the value of linguistics and explain their research to the wider public In support of this agenda Communicating Linguistics Language Community and Public Engagement provides an overview of the wide range of public engagement activities currently being undertaken in linguistics as well as practically focused advice aimed at helping linguists to do public engagement well From podcasts to popular writing from competitions to consultancy from language creation to community projects there are many ways in which linguists can share their research with the public Bringing together insights from leading linguists working in academia as well as non university professions this unique collection Provides a forum for the discussion of challenges and opportunities of public engagement in linguistics in order to shape best practice Documents best practice through a summary of some of the many excellent public engagement projects currently taking place internationally Celebrates the long tradition of public engagement in linguistics a discipline which is often misunderstood despite its direct and fundamental importance to everyday life Breaking down long standing divisions

between universities and the wider community this book will be of significant value to academics in linguistics but also teachers policy makers and anyone interested in better understanding the nature and use of language in society Creative Commons Attribution Non Commercial No Derivatives 4.0 license Exploring STEM Environments that Broaden Participation Tyrslai Williams, Renã A. S. Robinson, Zakiya S. Wilson-Kennedy, 2025-09-16 Creating spaces conducive for all students pursuing degrees in STEM is a constant conversation in higher education Studies establish the need for broad participation in STEM and the barriers in place that prevent matriculation through critical junctures Through these studies several suggestions and recommendations suggest supporting students through advising mentoring and research experience Very little is discussed about the tools and strategies needed to enhance students own development of self efficacy and self identity through mentorship in formal environments like the lab classroom and departments but also in informal STEM environments like bridge programs organizational involvement and mentoring groups While the environments seem very different the mission of dynamic approaches to student progression is apparent Furthermore understanding how the support evolves at each critical juncture is critical to the way in which the future of STEM will advance Journal of the Physical Society of Japan, 2016 *Shifting to Digital* James A. Bellanca, Gwendolyn Battle Lavert, Kate Bellanca, 2022-01-04 Rely on Shifting to Digital to deliver clear and concise answers to all of your remote teaching questions This comprehensive guide provides specific strategies for planning high engagement instruction handling technology assessing collaboration and assignments and more You ll also gain access to a helpful list of digital tools along with online specific lessons and projects for various subjects Learn how to engage and manage multiple students online at one time Create effective lesson plans that incorporate synchronous and asynchronous instruction based on best practice cooperative learning and project based learning Gauge students executive function and increase their self direction a crucial part of online learning Understand how to best teach and support English learners and students with special needs Plan communications for students parents and guardians that address technology procedures expectations and privacy Contents Introduction Chapter 1 Technology Chapter 2 Instructional Planning Chapter 3 Document Handling Chapter 4 Mindful Engagement Chapter 5 Positive Interaction and Social Emotional Learning Chapter 6 Feedback Chapter 7 Assessment Chapter 8 Students With Special Needs Chapter 9 Communication With Parents and Guardians Epilogue Appendix Distance Learning Lesson and Project Designs References and Resources Index **Social Justice, Transformation and Knowledge** James Avis, 2016-01-22 Social Justice Transformation and Knowledge Policy Workplace Learning and Skills examines the policy contexts in which lifelong learning vocational education and training and skill development is set It provides a critique of neo liberalism and its impact on vocational education and training and lifelong learning It interrogates potentially progressive policy interventions that take for granted capitalist relations as these can become a form of comfort radicalism that whilst calling for structural change remain lodged within capitalism Such analyses are limited particularly in austere conditions of worklessness with increasing

numbers of workers surplus to the requirements of capital Offering detailed discussions within UK European and global contexts this book proves an insightful and critical text which illustrates Professor Avis extensive experience and knowledge of the field Adopting a substantive focus on debates and analysis with significance that extends beyond the particular policy context of England the book offers an exploration of arguments that suggest workplace learning carries with it progressive possibilities an examination of models of class implicit within education policy and documents consideration of forms of governance and professionalism and their articulation to the pursuit of social justice an insight into discussions concerned with social justice knowledge as well as the current conditions of austerity in which education and social policy are emphasised Social Justice Transformation and Knowledge is a significant addition to the field It is an insightful and thought provoking book from which students lecturers and researchers with an interest in education studies education policy and social justice will greatly benefit from reading

Social Mobility for the 21st Century Steph Lawler, Geoff Payne, 2017-12-14 Social Mobility for the 21st Century addresses experiences of social mobility and the detailed processes through which entrenched intergenerationally transmitted privilege is reproduced Contributions include but are not limited to family relationships students encounters with higher education narratives of work careers and mobility identities The book intends to challenge both the framework of the more traditional approach and the politicisation of mobility which casts mobility as a possession a commodity or a character trait and threatens to castigate the non mobile as carrying a personal responsibility for their situation This book presents critical analyses of routes into social mobility the experience of social mobility and the political and social implications of social mobility s panacea status Drawing on the work of established scholars and more recent entrants the chapters offer a fresh look at social mobility opening up the topic to a wider readership among the profession and beyond and stimulating further debate This book will appeal to higher level students and scholars of sociology alike as well as having a broad cross disciplinary appeal
