Linkin Park Ben Graham, 2001 The first book to be published on the band that is acclaimed as the most successful to emerge since Korn and Limp Bizkit 3 million albums sales in six months making Hybrid Theory one of the longest staying albums to grace the UK top 20 charts at the time affirm to this fact Superbly presented with the target audience of 13 25 year olds in mind offering equal parts stunning photography and intelligent text and a pocket money sized tag to boot this first available biography on the hottest new band around is certain to appeal to their millions of fans **In the end - A tribute to Chester Bennington** Rosanna Costantino, 2022-01-13 It starts with A boy born on March 20 1976 a skinny little boy with his contagious laugh a boy whose childhood was stolen Then the boy turned into a man with a great passion for music a man who made his dream come true becoming one of the most famous singers of all times a man who was a wonderful friend husband father a man who behind that joyful and lighthearted facade hid demons so wicked and devious you couldn't imagine Chester was all of this In this amazing tribute Rosanna Costantino was able to transmute the emotions and the feelings of every fan in the world into written words opening her heart At the same time she also described in detail the life of this great man from the day he was born to his tragic death what his bandmates his friends and Linkin Park fans have experienced and how they were able to hold on and stay strong together Chester and Linkin Park are a source of inspiration for all the soldiers their music saved so many lives they told us not to give up through their lyrics they made us feel invincible they are our heroes and now with Rosanna's book we can have a little piece of Chester to always keep with us Paola Trogu The Struggle for Justice and Truth Tomas Cudzis, 2023-02-09 This book is a collection of all four parts of The Struggle for Justice and Truth book series by Tomas Cudzis a fan fiction work dedicated as a tribute to the Linkin Park music band from which songs the author's inspiration has come The goal being it should look like Linkin Park were making the soundtrack for the book not the other way around Note This book only includes references to the songs that should be played with each section for an enhanced experience It doesn't contain any of the songs referenced in itself and it's purely optional for the reader to gain access to those songs at their own expense As use of those songs is purely experimental it doesn't guarantee improved experience compared to merely reading this book although test readers did find it most helpful Synopsis Tomas's sense of inferiority since his childhood has forced him to transform himself physically becoming the underground king of illegal MMA fights in the heart of Hong Kong After an unfortunate incident involving the Triads he is forced into hiding in the United States where he is actively hunted by them and others Realizing he has no other choice he takes on the Triads by himself in his last attempt for freedom or vengeance To his surprise he survives with the help of a top secret US agency enlisting in their ranks and together taking on criminals considered to be untouchable However with the ever increasing body count at Tomas's hands he realizes he can't handle the emotional trauma and doesn't like what he is turning into Determined to break the chain and leave his old life behind Tomas finds himself sucked right back into it every single

time he tries leaving him feeling hopeless fighting a fight that he considers pointless I don't know It can't be outfought it can't be outdone it can't be outrun It's just the way it is There is no justice except the one that is paid for in blood or money I don't have money In his personal struggle for justice and truth convinced that the current government is becoming more and more dystopian with every passing day he pushes to find out the truth against all odds in hopes that it will finally bring him inner peace stopping worldwide growing tyranny
