Culturcide and Non-Identity across American Culture Daniel S. Traber, 2017-06-23 It goes without saying that identity has long been a recurrent topic in studies of American culture The struggle between group sameness and individual uniqueness is a common issue in understanding diversity in the United States on several levels including how our differences have not always resulted in national celebration Terms such as hybridity performativity transnationalism and border zones are part of the current theoretical vocabulary and for some deploy a fresh language of possibility one promising to undermine the conformist values of monocultural perspectives To that end *Culturcide and Non Identity across American Culture* explores theories and practices of identity from a broad perspective to grasp how varied diffuse and distorted they can be especially when that identity seems boringly familiar The subjects range from hip hop parodies to punk preppies to pachuco ska thus crossing the lines of genre medium and discipline to blur the borderline dividing the kinds of texts to which these theories can legitimately be applied *Amédée Gordini* Roy P. Smith, 2022 This is the story of a man a team and their life and times as well as a complete record of all their achievements and failures It logs the financial and personal cost of racing in the prewar and postwar periods It tells of how the mighty car company Renault became involved with them in the late 1950s and how Amedee Gordini became known throughout the world as one of the greatest engine tuners of his time
