 Comprehensive Science Curriculum For Homeschool Families Developed by Hiram J Bertoch A former teacher of the year
 who was also nominated as teacher of the year in a second school district and was also selected as the Utah State science
 department chair of the year Bertoch has a bachelors in Earth Science covering astronomy geology atmospheric science and
 oceanography a masters in Biology and a second masters in Instructional Design More importantly than degrees though Mr
 Bertoch's students are successful On average they score 20% higher than their peers on standardized tests Everything You
 Need For Science Grades 5-8 This curriculum includes everything you need to help your students become scientists The goal
 of this curriculum is not to memorize a bunch of scientific facts though we do this Rather the goal is to assimilate into the
 sciences To learn to think critically To demand evidence To make decisions using data To justify opinions with facts To

become a scientist Your student will have unlimited free access to over 20 hours of instructional videos via QR code where Mr Bertoch will teach them in all aspects of science They will complete more than 120 hands on labs They will have unlimited free access to articles on each topic via QR code that amount to more than 150 0000 words They will have unlimited access to hundreds of online quizzes via QR code and everything else they need for success Curriculum Is Based on Next Generation Science StandardsThe NGSS are utilized by most states in the United States They are designed to help your student become a scientist rather than to just memorize science facts Mr Bertoch sat on and participated in various boards on the state and national level that helped to forge these standards He has also trained hundreds of teachers on the state and district level in the use of these standards Crosscutting Concepts The Eight Science And Engineering PracticesThis curriculum utilizes and refers back to the crosscutting concepts and eight science and engineering practices outlined in the NGSS standards
