[Cherish Bible Study Guide](#) Gary Thomas, 2017-01-10 Millions of married couples have pledged to love and to cherish until death do us part. Most of us understand and get the love part, but what does it mean to cherish your spouse? Why do we say it once at the wedding and then rarely ever mention it again? In this six-session video Bible study, DVD, digital video, sold separately, bestselling author Gary Thomas draws on personal stories and teachings from the Bible to show how cherishing can have a powerful effect on marriage. Learning to truly cherish each other turns marriage from an obligation into a delight. It lifts marriage above a commitment to a precious priority. Cherish is the melody that makes a marriage sing. If you find yourself going through the motions in your marriage, Thomas will walk you and your spouse through real ways to reverse the pattern: Erase contempt and honor your spouse. Stop comparing and focus on the unique traits in your spouse. Let go of hurts and forgive your spouse. Go beyond serving and showcase your spouse. Don't stop trying. The more you cherish your spouse, the more you will cherish your spouse. Many couples survive by gritting their teeth and holding on. Or they find themselves just going through the motions in their relationship. But cherishing your spouse can reverse this pattern. Cherishing can breathe light, hope, and new life into a marriage even one marred by neglect and disrespect. The Cherish Study Guide includes video, discussion questions, Bible exploration, and personal study and reflection materials for in-between sessions. Sessions include: To Love and to Cherish, Your Honor, Taking Your Marriage to the Next Level, Cherishing Your Unique Spouse, This Is How Your Spouse Stumbles, Keep on Cherishing. Designed for use with Cherish Video Study, sold separately.

[The Covenant of Marriage Study Guide](#) Mark Johnson, 2021-02-04 This twelve-week study shows how the historic understanding of Covenant helps us build a love for a lifetime. Marriage is not what our culture or we say it is. What is the one relationship that was designed by God? When two enter a Covenant, the identity of each party enters the other. This produces a bond of shared identity between the two and alters the nature of each. What God has joined together, God's instructions are logical consequences of these realities. We love the other as we love ourselves because the other is now part of us. Our hearts want to

love but we do not love consistently Why Because our guidance system our old sense of self interest pulls in other directions Covenant is not just a tie that binds It is also a plan that teaches us what to do why we do these things and how we become able to do them Our married self is a new self Obedience does not oppose our nature it authentically expresses our new self and new bond Shifting our guidance system to follow God's plan and building this new life is the path to the best Marriage
