found the bullocks at a standstill and the sheep in sight the bullocks refusing to be driven and charging the blacks Just as I came up by some mischance the coupling of one of the charging bullocks gave way and in an instant poor Peter was tossed up in the air by Bawley and as he descended was caught up again and tossed about on the ground invariably the brute caught his horns against the large canteen and saved the poor fellow s life I was obliged to leave the black then aft with the cart and with Sambo started on for water travelled and spelled during the whole night and got to the lake early Sunday 29th party all right lots of blacks apparently peaceably inclined We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience The Discovery and Exploration of Australia Erwin Herman Josef Feeken, Gerda Elisabeth Emma Feeken, 1970 The Gazetteer includes details of who bestowed the place names and after whomn or what they were named Analytical and classified catalogue of the library of the parliament of Queensland Denis O'Donovan (C.M.G.), Queensland.
