I, Athira... S Athira, 2024 Some features of this book Athira provides a personal account revealing how radical religious groups manipulate individuals into converting initially fostering a sense of aversion to their own culture and religion then to their society country family and eventually their own identity This book offers guidance on how to rehabilitate and help those who have lost their ability to think critically and logically after being influenced by extremist ideologies through the process of Spiritual Counselling This book is for all religious converts and those who are on the verge of converting A patient reading of this book will surely make you rethink your decision to convert Story of a Reversion O Sruthi, The story of Sruthi a

young school teacher from an orthodox Havyaka Brahmin family in Kasaragod shook society when she converted to Islam as Rahmat Like thousands of others she too was deceived and misconceived into leaving behind her roots and Dharma By divine grace Sruthi found her way to Aarsha Vidya Samajam where she discovered the depth and truth of Sanatana Dharma With courage in her heart and tears of repentance in her eyes she returned to her Swadharma and to her family Today as a full time Sanathana Dharma Pracharika she has been helping in bring back many thousands of others who are victims of radicalization Her powerful testimony shared in a heartfelt YouTube video went viral and touched more than 6 million views In this book Sruthi bares her soul revealing the forces that push people into conversion the anguish it causes families and the way forward to prevent such tragedies **Web Information Systems and Applications** Cheqing Jin, Shiyu Yang, Xuequn Shang, Haofen Wang, Yong Zhang, 2024-09-16 This book constitutes the refereed proceedings of the 21st International

Conference on Web Information Systems and Applications WISA 2024 held in Yinchuan China during August 2 4 2024 The 39 full papers and 11 short papers presented in this book were carefully selected and reviewed from 193 submissions These papers have been organized in the following topical sections Knowledge construction Intelligent service Intelligent computing Large language model Security Information system applications A Learning Community of Reflective Teachers

Neeraja Raghavan, 2024-02-06 Teachers possess a wealth of untapped wisdom and valuable experience Be it educational policy curriculum development or textbook selection rare are the instances when teachers views are solicited Traditionally teacher development has been driven by administrators of schools and it often takes the form of a mentor teaching the staff of a school But what happens when teachers across different locations collaborate and learn together This volume documents such an initiative sparked off by the Covid 19 pandemic which brought people together online It showcases the power of teachers debating discussing and learning from each other Based on an Indian experience this book addresses a range of issues that teachers and educators across the world face encompassing pedagogy classroom management school culture and teacher development A unique story of community building and teacher education this book also contains key outcomes and insights while taking us through their action research projects It showcases a model of teacher development that can be adopted by interested readers anywhere in the world Above all it brings out the crying need for a teacher s voice to be heard

for far too long teachers have been mere implementers of decisions taken by policymakers or managements of schools By means of networking communities such as the one described in this book the transformation of teachers going from whispers to resonance is greatly amplified An important intervention in the domain of teacher development this volume will be of great interest to students researchers educators teacher educators and sociologists of education It will also be useful for teacher trainees academicians policymakers schoolteachers curriculum developers teacher training institutes and universities offering teacher education programmes
