8 Simple Tools for Raising Great Kids Dr Todd Cartmell, 2015-12-15 I love my child but parenting is hard As a child psychologist with over twenty years of experience with families Todd Cartmell knows what works in parenting and what doesn't Here he gives eight simple tools you need to raise great kids and build a close loving and sturdy family Practical and full of real life examples 8 Simple Tools is packed with parenting tips like how to Listen well and respond wisely Use affirmation to influence your child Develop a nurturing home culture Correct behavior in lasting ways Designed with busy parents in mind 8 Simple Tools breaks each tool into five short chapters perfect for when you only have a second Plus each chapter ends with a practical Tip section that summarizes the main point and helps you apply it right away Employ all eight tools in your parenting and watch your child flourish and your family thrive *WIWAK When I Was A Kid* Michael Tasker, 2011-11-10 *WIWAK* is an unconventional look at Baby Boomers growing up in a revolutionary new housing development Levittown Pa It details the goings on of thousands of ordinary kids whose experiences were unlike those of any others before or since Up until now this unique time period has been glossed over and stereotyped But readers of this compilation whether nostalgic Boomers curious kids or social historians will come away with a totally different outlook This book is funny revealing and sometimes irreverent and covers a period I wouldn't have believe happened if it hadn't happen When I Was A Kid LIFE, 1969-05-09 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **Children's Books and Their Creators** Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b/w illustrations *The Kids from Nowhere* Mr. George Guthridge, 2011-04-01 This heart lifting story about uneducable children who lived on a wind swept island in the Bering Sea had no computers and few books and spoke English as a second language With the help of their dedicated and gifted teacher they enter and win the student future problem solving competition for Alaska and compete nationally to win again **The Little Bookroom Guide to New York City with Children** Angela Hederman, Michael Berman, 2014-05-20 The Little Bookroom Guide to New York City with Children focuses on what parents with good taste want to know how to see New York City in a child centered way without passing up any of the city's sophisticated food sights or shops just because the kids are along Organized around EAT PLAY SHOP and STAY the authors take you to well known museums and attractions but also take you out of tourist thronged Midtown and into corners of the city that New Yorkers themselves love to take their children They share strategies for must sees that can easily overwhelm the dazzling but daunting Metropolitan Museum of Art

Chinatown Chelsea Market and share the offbeat and little known places their own kids love a matzoh factory a classic film showing a chance to dance with ballerinas Chicken tenders Fuggedaboutit The authors take you to the hip food truck scene to world class restaurants that welcome children one has a 5 noodle bowl for kids that s under the radar to word of mouth neighborhood favorites that only the locals frequent and offer an array of delectable options in every part of town at every price Shopping in NYC is like nowhere else you can find cool kids clothes and toys that make unforgettable souvenirs of an unforgettable trip

Modern Typewriting and Manual of Office Procedure Arthur E. Morton,1919 Fat Kid's War F.K. Milton, Kids! Henry Francis du Pont Winterthur Museum,1999 Childhood Think about the meaning of this word for us today as we near the end of the 20th century a time to grow a time to play a time to learn an idyllic time Did the notion of childhood elicit the same thoughts for people in 18th and 19th century America Indeed was there even such a concept as childhood then or is it instead a 20th century invention that we have come to take for granted These are difficult questions in part because there never has been one universal understanding of childhood How earlier generations viewed life s first stage depended on such factors as where they lived their occupations and their legal status as free indentured or enslaved Americans One s experience and memories of childhood would have differed widely A child working on the family farm in New England the daughter of wealthy Philadelphians attending needlework school or an enslaved African girl serving as a house maid in Virginia all surely experienced childhood very differently KIDS explores the many ways in which adults shaped the world of children in America between 1700 and 1900 It looks closely at the furniture the books the clothing the toys and the games used by and created for children and it tells stories about growing up in early America Above all it invites readers to learn through history Using objects and the stories that surround them KIDS puts us in touch with the past and in so doing moves us closer to understanding the present
