

Kid's Closet Connection Pricing Guide

Don't forget as a consigner, you choose how to price your items. This guide offers you a starting point and are a reference if needed. Unfortunately, not all items that could be sold are on the list. Remember this guide is for your reference, you are NOT required to price your items according to this list as pricing is your decision. High Demand toys, such as Little Tikes, Playhouses, Play Structures, Kitchens, Tool Benches, will typically sell for 1/3 to even 1/2 of the retail depending on the condition of the item. If you are uncertain what the retail price of a toy was, checking old catalogs, magazines, and doing searches on the Internet are a good start. And if you still cannot find out prices, use your judgement and always ask the question, "How much would I pay for this for my kid?" Most items should be between 1/4 and 1/3 of the retail price. If you are still having trouble deciding, we are more than willing to help steer you in the right price range. Just ask away!
