Cornwall's First Town in the Frontline P. Joe Plant, 2010-07 Little if anything is known about Torpoint s passage through the years of World War II in fact it is a time forgotten This book goes some way to describe what actually did happen It is not about one story but about many individual stories threaded together to record and validate one person s recollection together with others to give a true account of the incident in question which caused death and injuries to its civilian residents also the fate of its servicemen who died in battle throughout the world Due to censorship the taking of photographs was not permitted However during research for the book a few did come to light including German Reconnaissance photos identifying Torpoint as a target and American GIs leaving on 1st June 1944 bound for the D Day Landings a truthful illustration of the times and incidents that did occur This book also identifies a complete list of Torpoint s War fatalities their courage dedication and sense of sacrifice which brought about their early demise It is a chronicle of a short period in the town s history that students will learn from and that for others will hopefully rekindle lost family memories I can only congratulate Joe on a quite remarkable achievement This book will provide a permanent insight to this and future generations of the dark days our predecessors had to endure the contribution they made to eventual victory and the freedoms we enjoy today **Richard Carew Pole** Bt ABOUT THE AUTHOR Joe Plant was born in Crystal Palace London During the London Blitz of March 1941 his family was bombed out so he has personal experience of being involved with incidents of falling bombs during the Blitz He travelled north to Lancashire to seek refuge returning before the end of the war to the devastation of London In
