The Intuitive Warrior Michael Jaco, 2022-04-20 From conflicts in Panama to the wars in Iraq and Afghanistan Navy SEAL Michael Jaco has employed his powers of perception and awareness to save his own life and those of his fellow SEALs In *The Intuitive Warrior* Michael Jaco recounts the mentally and physically demanding training required of members of one of the most elite Special Forces units the SEAL Team Six and how the intuition developed during that training can be learned and applied by

anyone Using real life examples Michael Jaco explains how he tapped into his intuitive capabilities to predict attacks and protect his fellow soldiers The Intuitive Warrior will instruct the reader on how to employ the methods perfected by a genuine military hero and use this material to act as a catalyst toward developing a richer more fulfilled life **Beyond Esoteric** Brad Olsen,2021-01-14 Nothing in this world works the way you think it does there is always more to the story Be aware that there is a war for your mind and your soul Corporations have taken over governments in a new form of Fascism that now incorporates high technology and artificial intelligence The survival of the human race may depend on breaking the Embargo of truth and collectively developing an berMind But truth always resonates Beyond Esoteric takes off the kids gloves and exposes the control grid extending its tentacles across the planet The word occult means nothing more than to study the realm of the hidden So much of real knowledge and wisdom is disguised because the people who run the planet feel that true information of how the world works and how to manifest reality is something you do not need to know Everything we think we know about the world and the universe in which we live whatever we have been led to believe concerning the course of human history could very well be completely wrong distorted and misinformed The 19th century teachers of the occult could never have imagined The Ultimate Journey of the 21st century we now face one that extends far Beyond Esoteric

IT Project Management: A Geek's Guide to Leadership Byron A. Love,2016-10-04 This book s author Byron Love admits proudly to being an IT geek However he had found that being an IT geek was limiting his career path and his effectiveness During a career of more than 31 years he has made the transition from geek to geek leader He hopes this book helps other geeks do the same This book addresses leadership issues in the IT industry to help IT practitioners lead from the lowest level Unlike other leadership books that provide a one size fits all approach to leadership this book focuses on the unique challenges that IT practitioners face IT project managers may manage processes and technologies but people must be led The IT industry attracts people who think in logical ways analytical types who have a propensity to place more emphasis on tasks and technology than on people This has led to leadership challenges such as poor communication poor relationship management and poor stakeholder engagement Critical IT projects and programs have failed because IT leaders neglect the people component of people process and technology Communications skills are key to leadership This book features an in depth discussion of the communications cycle and emotional intelligence providing geek leaders with tools to improve their understanding of others and to help others understand them To transform a geek into a geek leader this book also discusses Self leadership skills so geek leaders know how to lead others by leading themselves first Followership and how to cultivate it among team members How a geek leader s ability to navigate disparate social styles leads to greater credibility and influence Integrating leadership into project management processes The book concludes with a case study to show how to put leadership principles and practices into action and how an IT geek can transform into an effective IT geek leader
