Kids Connect The Dots Bible Stories:

Relational Children's Ministry Dan Lovaglia, 2016-04-05 Children's ministry has the power to change the lives of kids and families. Unfortunately, it's not always clear that the work a person does with kids is really making a lasting difference. Ask children's ministry leaders and kid influencers if they are making the impact on children's lives as they had hoped and most likely the responses will be mixed. And for good reason. Research over the past decade has revealed an alarming lack of long-term growth in the faith community as children progress through student ministries into adulthood. Clearly, something needs to change. Relational Children's Ministry seeks to reverse this trend by equipping children's ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long-term impact. Ministry leaders will learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice. Explore practical approaches to realign their children's ministry for a new trajectory by hitting three reset buttons to ensure long-term discipleship is embedded. Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own ministry context. Children's ministry leaders will receive practical training to refocus their children's ministry along with time-tested tools to personally recommit to lifelong discipleship. Kid influencers can become a disciple-making community that redirects the current trajectory for this and future generations.

Gospel-Centered Teaching Trevin Wax, 2013-10-01 For small group leaders and Sunday school facilitators who prefer truth over technique, Gospel-Centered Teaching is refreshing in its simple purpose to remind you of something you already instinctively know: It's Jesus who changes lives, and the goal of your Bible study is to continually reintroduce people to Him. While discussing in-depth common related concerns, missional apathy, biblical illiteracy in the church, shallow discussions, etc., author and teacher Trevin Wax duly offers a practical guide to making sure your message is always surely centered on Jesus and what He has done. Fellow teachers, let's soak ourselves in the truths of the gospel and the Word. Then let's invite others to the fountain of living water offered freely by our Master Teacher whose life and death changes everything.

Counterfeit Gospels Trevin Wax, 2011-04-01 What if the biggest danger to the church of Jesus Christ is not blatant heresy the moral failures of church leaders persecution the rise of Islam or the loss of our rights What if the biggest threat is counterfeit gospels within the church ways of thinking and speaking about the good news that lead to a gradual drift from the truth of Scripture The gospel is like a three legged stool There's the Gospel Story the grand narrative of Scripture Creation Fall Redemption Restoration Within that overarching framework we make the Gospel Announcement about Jesus Christ His perfect life substitutionary death resurrection exaltation The gospel announcement then births the Gospel Community God's church the embodiment of the gospel the manifestation of God's kingdom A counterfeit gospel is like a colony of termites eating away at one of the legs of this stool until the whole thing topples over This book exposes six common counterfeits Therapeutic Judgmentless Moralism Quietism Activism and Churchlessness that would get us off track The goal of *Counterfeit Gospels* is to so deepen our love for the unchanging gospel of Jesus Christ that we would easily see through the many counterfeits that leave us impoverished So come love the gospel recognize and overcome the counterfeits and be empowered for ministry
