Informational Text About Penguins

Directions: Read the passage and answer the questions.

Penguins are interesting animals. Penguins are birds with black and white feathers, but they are not able to fly. Their webbed feet help them paddle under water.

Penguins do not have teeth. They have a beak with a hooked end to help catch their prey. Penguins like to eat fish, squid and Krill.

1. What is something penguins can't do?

2. Why do penguins have webbed feet?

3. What do penguins like to eat?

for picking informational texts to use in their classrooms and teachers value different criteria for selection of such texts Next frequency of use of informational texts varied from teacher to teacher with some teachers using informational texts often and some using informational texts very little The use of such texts was almost always tied to specific content but the purposes for use of informational texts varied from teacher to teacher with some teachers being very specific in their purpose to others being very vague about their purpose for the use of such texts Finally findings show that there were differences in the ways teachers in two grade level groups selected and used informational texts
