

## Part II Prologue

*Longing begins with a story*  
—Joseph Campbell

I was born in Toronto, not exactly early and during a blizzard that caused the trip to snow and deliver. The surprises and the low-visibility conditions that accompanied my arrival were positive, though they went unrecognized at the time. My mother, an immigrant from India, was of low spirits, and she would pass that multiple identity on to me. My father was taking his way to Canada, but had not yet arrived; his absence at my birth was a sign of the deeper absence yet to come. Looking back, I see all the ways in which my life was not the moment I was born into it. Whether in the store or in store, whether by the hand of God or some inscrutable force, it was already written, and every action of mine would serve to confirm the text.
