Unusual for writers in the colonial era Haggard declared that many Africans were more noble and admirable than many of the Europeans who arrived in Africa and his novels include complex and heroic native characters as well as evil and barbaric natives King Solomon's Mines even includes an interracial romance Haggard penned several popular novels while traveling to various parts of the Empire in the cause of land reform and like many Victorians dabbled in spiritualism and the paranormal Haggard's most enduring characters Allan Quatermain and Ayesha were brought together in She and Allan Haggard's last major work **King Solomon's Mines (Allan Quatermain #1) Illustrated** Henry Rider
