MANGAL EMOTIONAL INTELLIGENCE INVENTORY

Dr. S.K. MANGAL and Mrs. SHUBHRA MANGAL

The recent researches and development in the field of education and psychology have revealed that our emotional intelligence plays a key role in our adjustment and progress in life. Naturally, at this moment, you may be inclined to know about the level of your emotional intelligence. For this purpose you have to respond to the questions given ahead carefully by taking care of the following things.

1. You are provided with a test booklet. The front page of this booklet contains instructions and in the remaining pages there are 100 test statements for being responded as Yes or No.
2. All the statements are meant for knowing about the level of your emotional intelligence. There is no right or wrong answer to a question given in the booklet. After reading a particular question and considering what is appropriate for you, you have to simply respond to it as Yes or No.
3. It should be kept well in mind that you have not to write anything on the test booklet. It is simply question paper. Answers / responses are to be written on the answer sheet by putting a Yes or No given against the serial no. of the each statement.
4. Try to provide free and frank responses without any fear and hesitation. Your answer will remain quite secret and confidential and may be used for the research purposes.
5. Be careful that no statement should be left unanswered; otherwise you will not be having a complete assessment of your emotional intelligence.
6. There is no time limit for providing responses. However, you are requested to finish your work within 30 to 40 minutes.
7. If you have any doubt, please ask.
