Invitation To Biblical Preaching Proclaiming Truth With Clarity:

Invitation to Biblical Preaching, Written in a conversational style with profuse examples to illustrate all concepts *Invitation to Biblical Preaching* takes the reader step by step through the entire process of preparing a biblical message from studying a passage with skill and integrity to delivering a message with persuasion accuracy passion and relevance An experienced pastor and homiletics professor Donald Sunukjian provides budding pastors with wise counsel that is sure to stay with them throughout their ministries *Applying the Sermon* Daniel Overdorf, 2009-08-28 Finally a tool to help Pastors shape applications that so many congregations have long desired Even the most seasoned homileticians balk at sermon application Why Because application requires preachers to toss a grenade like thus saith the Lord into people's lives and to do so repeatedly From the introduction Despite the concern many pastors feel when it comes to sermon application most homiletics texts devote little more than a chapter if that to this vital topic Daniel Overdorf has filled this glaring gap with *Applying the Sermon* This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations Each chapter includes snippets of interviews with five of today's most respected homileticians Haddon Robinson Will Willimon Tom Long Vic Pentz and Bob Russell A great addition to any pastoral library and a valuable resource for Bible college and seminary courses Overdorf's *Applying the Sermon* also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands on experience with these techniques *Preaching Like the Prophets* Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets

Preaching with Accuracy Randal E. Pelton, 2019-03-21 A resource to help pastors correctly identify the big idea of a passage and apply it well *Preaching with Accuracy* provides preachers with a method for finding the big idea in each passage of the Bible since correctly identifying the main point is key to accurately conveying the essential theology of the passage Pelton lays out a reliable well informed method for identifying the main point of a preaching passage and understanding that passage well in its context Numerous examples are given at each step of the way to show how meaning develops throughout the process of interpretation Pelton then guides the preacher through applying a Christ centered hermeneutic that will result in biblical sermons that benefit and equip believers *Invitation to James (Biblical Preaching for the Contemporary Church)*
