the event at home and abroad **JFK. Le dernier témoin** William Reymond, Billie Sol Estes, 2010-04-13 T00:00:00+02:00 Le 22 novembre 1963 John E Kennedy est assassiné à Dallas. Quelques heures plus tard Lee Harvey Oswald est arrêté. Mais le unique suspect n'aura jamais le temps de s'expliquer. Abattu par Jack Ruby, Oswald disparaît avec ses secrets. Quarante ans après, alors que depuis les conclusions du rapport Warren l'histoire officielle a retenu la thèse du tireur solitaire William Reymond et Billie Sol Estes dévoilent enfin la vérité. Estes, milliardaire ruiné, fut pendant de nombreuses années l'un des financiers de Lyndon Johnson, celui qui devint président à la mort de Kennedy. Sa position privilégiée lui permet aujourd'hui de décliner pour la première fois les arcanes d'un réseau responsable de l'assassinat de JFK. Un meurtre dont il connaît les clés et détient les preuves.

Undeniable Truths Ed Souza, 2014-08 Since we forget the implications of the assassination of President John F Kennedy at our peril I welcome and support the recent work of Ed Souza's Undeniable Truths. Welcome aboard Mr Souza. Mark Lane, Author of Rush to Judgment. To many the murder of President John F Kennedy was the defining tragedy of the twentieth century. To many the intricate and pervasive veil of lies generated by the Warren Commission and some of our own government agencies is an egregious and continuing insult to our collective intelligence, integrity and dignity. To many there are more questions than plausible answers. But for one former LA cop, private investigator and professor of criminal justice the time has come to put forth the clear and plausible answers too many have craved for too long. In Undeniable Truths Professor Ed Souza applies modern investigative techniques and theories to present the clear and simple facts surrounding this infamous murder. His approach exposes the lies, cover ups and misinformation involved in this case. He explores some of the murder's most enduring mysteries: Why was President Kennedy really murdered? Who really did and did not want Kennedy eliminated? Why and how was Oswald chosen as the scapegoat? Through the use of time-tested police strategies the author puts decades of professional research to the task of solving one of history's most enduring unsolved crimes.

The Assassination of John F. Kennedy, 1963 Susan Sales Harkins, William H. Harkins, 2008-03 Some events so strongly affect the world that people remember exactly what they were doing when they heard the news. The assassination of President John F Kennedy was one of these events. Ask almost any American who was alive at the time where he or she was when his death was announced and you will get an answer. A Democrat with plans for social reform, President Kennedy was both loved and hated. Despite the political friction his ideas generated, no one would have predicted the events of November 22, 1963, when supposedly a lone gunman changed the course of history. Most of Kennedy's idealistic platform went to the grave with him. Almost half a century after his death the United States continues to battle these same issues.

Rendezvous with Death H. R. Underwood, 2013-02-01 After extensive research the author presents some

of the frequently conflicting findings of investigators and government committees over the decades along with many of the minute details associated with the case In all Underwood has constructed a highly readable and fact filled compendium that should prove very useful to students of the tragedy The US Review of Books Rendezvous with Death The Assassination of President John F Kennedy presents the facts surrounding the assassination of President John F Kennedy and a detailed explanation of the shooting as it occurred according to the factual evidence A considerable amount of false trails and leads exist in the evidence turning the case into a quagmire of contradictory and unreliable assertions The major task undertaken was to sort out as much as possible fact from fiction and determine truth from rumor and speculation Numerous sources and materials were researched to provide the reader with a thorough and well documented review of the facts presented in the JFK assassination literature Still the conclusions presented are my own and are not intended to be presumptuous in claiming a definitive or conclusive solution to the case Therefore the purpose of this book is not to convince the reader that I have finally found the answers for most of the puzzling and perplexing questions surrounding this highly controversial case Rather my intention was twofold 1 to provide the reader with a comprehensive study that presented as many facts as possible regarding the JFK assassination gleaned from a wide variety of sources and 2 devise a plausible explanation of the assassination based upon that factual information My conclusions are based primarily on a close examination of the Zapruder film with documentation provided by numerous sources Although the Zapruder film shows evidence of splicing it still remains as one of the most significant pieces of JFK assassination evidence It is hoped that this study will move us closer to the truth
