Last Chance David Gardner, 2009      *Last Chance* David Gardner, 2009-03-30 As Barack Obama seeks to chart a new course in American foreign policy one of the English language media's most respected authorities on the Arab world David Gardner addresses the controversial but urgent question why is the Middle East so dysfunctional And what can be done about it Clear sighted never flinching from unpalatable truths Gardner draws on his acute grasp of history and decades of experience covering the region to look at why conflict despotism and sectarianism continue to flourish in the Arab world whilst as they decline everywhere else The Middle East exception is he argues a product of the West's own making By supporting tyrants fueling the Israeli Palestinian conflict and demonizing democratically elected Islamist parties the West in general but specifically America has incubated a region inherently resistant to economic and political reform and suppurating with resentment As the Obama administration plans its Middle East policy Gardner argues for nothing less than a total reappraisal of what realpolitik means The traditional shibboleths support Israel mollify the Saudis suppress Islamism simply will not do in the 21st century he argues Both an introduction to the modern Middle East and an impassioned polemic *Last Chance* is essential reading for anyone concerned with the future of the region This book should be in the hand baggage of every one of President Obama's Middle East negotiators Jon Snow Channel 4      *Lebanon after the Syrian Withdrawal* Ohannes Geukjian, 2016-11-10 Lebanon experienced serious instability and ethno national conflict following the Syrian withdrawal in 2005 compounded by the Arab Spring which led to regional instability and civil war in Iraq and Syria Why did consociational democracy fail Was failure inevitable What impact could external powers play in creating an environment where consociationalism might be successfully implemented This book addresses these key questions and provides a comprehensive analysis of how internal and external elite relations influence the chances of a successful regulation of ethno national conflict through power sharing Exploring the roles played by Syria Qatar Iran Saudi Arabia the United States and France it argues that external actors in the Lebanese conflict largely determined whether power sharing was successfully established and shows that the consociational democratic model cannot provide long term conflict regulation in their absence The author argues that relationships between internal and external actors determine the prospects for successful conflict regulation and pinpoints the crucial role of the external forces in the creation of power sharing agreements in Lebanon concluding that future success is dependent on the maintenance of positive exogenous pressures This book will be of key interest to students and scholars studying politics international relations and Middle East studies      **The 1973 Arab-Israeli War** Galen Jackson, 2023-09-27 The October 1973 Middle East War transformed the region's politics and had a huge impact on the international political system as a whole Arguments about the causes effects and meaning of the war and about why it ran its course the way it did have played a key role in shaping the understanding of the Arab Israeli conflict of American policy in the Middle East and of many other major issues For the 50th anniversary of the war this book grapples with these

issues in an objective way by using the mass of declassified material that has recently become available **Political Islam**  
 Khālīd Ḥarūb, 2010 This volume offers a comprehensive discussion of the contemporary debates within political Islam  
 providing an in depth analysis of the specific movements countries and regions in the Arab world and Israel The contributors  
 content that the evolution of Islamic movements is contextual rather than ideological Therefore Islamic movements are best  
 understood individually within their own historical socio political and cultural setting Political Islam is an essential reference
