TORREVILLAS,2014-09-26 This new book sheds light on the existence of Extraterrestrial Beings Author H Torrevillas M D
invites readers to embark on a fascinating journey to unlock some of life's greatest mysteries The author shares his many
encounters that made him lean towards the study of intuitive feelings as well as psychic phenomena that relate to the
mystifying world of the unknown From the cradle to the grave our parents peers institutions and society form our values and
behavior but this process has been hijacked This book opens our minds to the fact that unknown to us for generations we
have allowed dictators power brokers and corporate puppeteers to profit from our ignorance and enslavement From the anvil
of compulsory schooling to media and entertainment we are being kept in bondage to ideas that shape our actions But the
author is optimistic that we can overcome negative forces that control our minds and those of our leaders He had been in a
quandary in his early years regarding paranormal happenings in his life Rather than ignore them as skeptics are inclined to
do Dr Torrevillas regarded them as significant in his life **Saunders Comprehensive Review for the NCLEX-RN**
