

CHAPTER 12

OPTION

The law in action

Crossing the street, attending school, owning a mobile phone, driving a car or riding a pushbike are all activities which involve the law. Every day you come into contact with the law, whether you realise it or not.

Most people know something about the law. We learn about it because we, as individuals, are part of a society that has rules and regulations. The laws of our community are, therefore, part of our everyday lives. The law is there to protect your rights and to outline your responsibilities.

Focus

On completion of this chapter, you will have examined the rights and responsibilities of individuals in a range of situations in which they may come in contact with the law.
