Journals save you time and trouble by providing a one stop resource for all your manuscript writing requirements No more
plowing through your journal collection or wandering the library stacks to get those elusive journal pages containing
instructions to authors This unique book contains all the information you need to know whether the journal will consider your
manuscript the journal s submission address how to construct the abstract illustrations tables and references and specific
information on copyright multiple authorship statistical analyses and page charges The Author s Handbook of Styles for Life
Science Journals gives all this information for 440 of the most important English language life science journals Titles were
selected from the Journal Rankings by Times Cited list in the Science Citation Index Journal Citation Report Because this
report is heavily weighted toward the medical sciences other life science journals are incorporated into the book based on
general level of prestige and reputation In addition some new titles that promise to be important to their fields like Nature
Medicine and Emerging Infectious Diseases are also included Organized by journal title the handbook s entries are uniformly
arranged to allow direct comparison between journals Information is presented in an easy to use easy to read format with
clear and explicitly stated instructions The Author s Handbook of Styles for Life Science Journals gives authors in the life
sciences all the information necessary for the correct and complete compilation of a manuscript for submission to their
