Cultural History of Reading Sara E. Quay,Gabrielle R. Watling,2008-11-30 What is it about some books that makes them timeless *Cultural History of Reading* looks at books from their earliest beginnings through the present day in both the U S and regions all over the world Not only fiction and literature but religious works dictionaries scientific works and home guides such as Mrs Beeton s all have had an impact on not only their own time and place but continue to capture the attention of readers today Volume 1 examines the history of books in regions throughout the world identifying both literature and nonfiction that was influenced by cultural events of its time Volume 2 identifies books from the pre colonial era to the present day that have had lasting significance in the United States History students and book lovers alike will enjoy discovering the books that have impacted our world **Capturing the Pícaro in Words** Konstantin Mierau,2018-07-17

Capturing the Pícaro in Words discusses the framing of the transient marginals of early modern Madrid in the literary pícaro It compares the perceptions of constables shopkeepers and criminals to those of mass produced literary representations and argues that the literary representations displaced the pícaro assigning the marginals different places in the literary texts in order to centralise the problem of urban vagrancy The texts spanned the pícaro thus establishing the image of a culturally homogenous group and lastly silenced the pícaro under representing the power marginals in the city derived from their knowledge of the information flows in the city **Spanish vocabulary** Barbara Snyder,1979 **Hispania** ,1949 Vol 1

includes Organization number published Nov 1917 *Gender Matters* Mara R. Wade,2013-12-05 *Gender Matters* opens the debate concerning violence in literature and the arts beyond a single national tradition and engages with multivalent aspects of both female and male gender constructs mapping them onto depictions of violence By defining a tight thematic focus and yet offering a broad disciplinary scope for inquiry the present volume brings together a wide range of scholarly papers investigating a cohesive topic gendered violence from the perspectives of French German Italian Spanish English and Japanese literature history musicology art history and cultural studies It interrogates the intersection of gender and violence

in the early modern period cutting across national traditions genres media and disciplines By engaging several levels of discourse the volume advances a holistic approach to understanding gendered violence in the early modern world The convergence of discourses concerning literature the arts emerging print technologies social and legal norms and textual and visual practices leverages a more complex understanding of gender in this period Through the unifying lens of gender and violence the contributions to this volume comprehensively address a wide scope of diverse issues approaches and geographies from late medieval Japan to the European Enlightenment While the majority of essays focus on early modern Europe they are broadly contextualized and informed by integrated critical approaches pertaining to issues of violence and gender
