## **Lds Sunday School Study Guide 2015:**

**2015 Come Follow Me Study Guide** Shannon Foster, 2014-11-11 This is a full year worth of meaningful study We have taken the 2015 Come Follow Me lessons Sunday School and Young Women lessons and created this journal that would be great study material for anyone This is also ideal as lesson prep for teachers With over 100 gospel topics these pages help you study take notes write your thoughts and keep a record as you go These pages are designed to help you study various topics by using scriptures General Conference talks For the Strength of Youth True to the Faith and many more resources so you can gather all the information into one place as you study topic by topic This book is 298 pages and can be used for family personal or classroom study and learning This book has been updated as of November 2014 with the 2015 curriculum Many of the General Conference talks you will study in this book are from the most recent 2014 General Conferences The Come Follow Me website may add or take away from the official lessons throughout 2015 Typically it is just a change in a scripture reference or General Conference talks however once in a while they may change the title to a lesson or change a lesson entirely Regardless of changes this book will make for excellent study however if you are preparing for a lesson we suggest you compare this book with the Come Follow Me website so you can be aware of any updates [Introducing](#)

[Christianity to Mormons](#) Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it When witnessing to current or former members of The Church of Jesus Christ of Latter-day Saints it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism [Introducing Christianity to Mormons](#) is the guidebook you need to witness to them Inside you'll find real life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community **Scripturalizing the Human** Vincent L. Wimbush, 2015-07-16

**Scripturalizing the Human** is a transdisciplinary collection of essays that reconceptualizes and models scriptural studies as a critical comparative set of practices with broad ramifications for scholars of religion and biblical studies This critical historical and ethnographic project is focused on scriptures scripturalization scripturalizing as shorthand for the psycho-cultural and socio-political work we make language do for and to us Each essay focuses on an instance of or situation involving such work engaging with the Bible Book of Mormon Bhagavata Purana and other sacred texts artifacts and practices in order to explore historical and ongoing constructions of the human Contributors use the category of scriptures understood not simply as texts but as freighted shorthand for the dynamics and ultimate politics of language as tools for self

illumination and self analysis The significance of the collection lies in the window it opens to the rich and complex view of the highs and lows of human un making as it establishes the connections between a seemingly basic and apolitical religious category and a set of larger social cultural phenomena and dynamics      **Both Swords and Ploughshares** Ineke

Bockting,Linda Martz,2015-10-13 This collection of essays examines interactions of war peace and religion in the United States a country where religious faith was and still is often deeply felt and widely held where faith has provided a set of values to uphold with fervor or to transgress in protest and where religion has been used to legitimize both armed violence and passive resistance These essays analyze the mythos of America as a place of religious freedom yet one imbued with a socially imposed civil religion and underpinned by a heavy presumption of Protestant dominance With subjects ranging from the War of Independence to the early 21st century the contributions to this volume focus on a variety of historical and chronological circumstances in order to consider what concrete tangible outcomes what artifacts were produced by the interface of war peace and religion the swords and ploughshares of the title This volume thus presents a variety of often multifaceted responses that reflect its interdisciplinary scope Some contributions refer to fine art pieces including statues paintings and murals and others to works of literature theology or public speaking Some of these interfaces were performed on stage or in film while yet others were heard on the radio or read in newspapers or journals Some of the essays gathered here concern individuals working through the meaning of armed conflict in terms of their own personal faith while others examine the impact of such conflicts on a larger scale as with whole faith communities or in the shaping of national or foreign policy The first part Communities looks at interfaces that served to structure a whole community The second Margins examines instances where the relationship between religion and war and peace has occupied a more marginal space within a faith community The final section turns this interface Outward situating it away from American soil or noting how foreign war shaped the spirituality of those returning      Enlisting Faith Ronit Y. Stahl,2017-11-06 Ronit Stahl traces the ways the U

S military struggled with encouraged and regulated religious pluralism and scrambled to handle the nation s deep religious racial and political complexity Just as the state relied on religion to sanction combat missions and sanctify war deaths so too did religious groups seek validation as American faiths      **Mormonism: A Guide for the Perplexed** Robert L. Millet,Shon D. Hopkin,2015-11-19 Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into

a Mormon life      A Fiery Gospel Richard M. Gamble,2019-05-15 Since its composition in Washington s Willard Hotel in 1861 Julia Ward Howe s Battle Hymn of the Republic has been used to make America and its wars sacred Few Americans reflect on its violent and redemptive imagery drawn freely from prophetic passages of the Old and New Testaments and fewer still think about the implications of that apocalyptic language for how Americans interpret who they are and what they owe the world In A Fiery Gospel Richard M Gamble describes how this camp meeting tune paired with Howe s evocative lyrics became one of the most effective instruments of religious nationalism He takes the reader back to the song s origins during the Civil War and reveals how those political and military circumstances launched the song s incredible career in American public life Gamble deftly considers the idea behind the song humming the tune reading the music for us all while reveling in the multiplicity of meanings of and uses to which Howe s lyrics have been put The Battle Hymn of the Republic has been versatile enough to match the needs of Civil Rights activists and conservative nationalists war hawks and peaceniks as well as Europeans and Americans This varied career shows readers much about the shifting shape of American righteousness Yet it argues Gamble the creator of the song herself her Abolitionist household Unitarian theology and Romantic and nationalist sensibilities that is the true conductor of this most American of war songs A Fiery Gospel depicts most vividly the surprising genealogy of The Battle Hymn of the Republic and its sure and certain position as a cultural piece in the uncertain amalgam that was and is American civil religion      **Gospel Self-Study Guides Book of Mormon** Kelly Merrill,2019-10-30

These 48 lessons are derived from the former Sunday School curriculum of The Church of Jesus Christ of Latter day Saints Each lesson has the original study material listed then is followed by commentary to help you study the verses and chapters for that week s lesson Great for those who would like additional study materials for the Come Follow Me lessons or just want more insights into the Book of Mormon      Comparative Guide to American Colleges James Cass,Max Birnbaum,1987
