The Indissolubility of Marriage Matthew Levering,2019-05-20 This well researched book explains why the Catholic Church continues to teach marital indissolubility and addresses the numerous contemporary challenges to that teaching It surveys the patristic witness to marital indissolubility along with Orthodox and Protestant views as well as historical critical biblical exegesis on the contested biblical passages It also surveys the Catholic tradition from the Trent through Benedict XVI and it examines a Catholic argument that the Catholic Church s teaching can and should change Then it explores Amoris Laetitia the papal exhortation from Pope Francis on marriage and the various major responses to it with the issue of marital indissolubility at the forefront Finally it retrieves Aquinas s theology of marital indissolubility as a contribution to deepening current theological discussions The author argues that Amoris Laetitia upholds the traditional Catholic teaching that a valid and consummated Christian marriage is absolutely indissoluble in accord with the teachings of Jesus and the Apostle Paul as solemnly and authoritatively taught by the Council of Trent and affirmed by later popes and the Second Vatican Council He says that Amoris Laetitia should be interpreted and implemented in light of the doctrine of marital indissolubility implementations that undermine this doctrine should be avoided Levering says that numerous contemporary Catholic theologians and biblical scholars are mistakenly turning the indissolubility of marriage into contingent dissolubility based upon whether the spouses continue to act in loving ways toward each other The sacrament s gift of objective indissolubility is thereby undermined Fortunately the main interpreters of Amoris Laetitia whose views have been approved by Pope Francis insist that the Apostolic Exhortation does not change the doctrine of marital indissolubility in any way

The Politics of Conjugal Love Conor Sweeney,Brian T. Trainor,2019-06-27 Does the New Testament teach that a wife must submit to her husband as head If so does it have a lasting value beyond the cultural milieu in which it was first articulated The Politics of Conjugal Love takes a fresh approach to this classic issue in theological anthropology paying specific attention to the role of theological hermeneutics in its interpretation Conor Sweeney and Brian T Trainor contend that both subordinationist and anti subordinationist readings of headship and submission miss the mark Their alternative is a baptismally specified trinitarian reading in which headship and submission appear as modes intrinsic to both life in Christ and the love proper to the highest mode of trinitarian love

Mystery Wife Annette Broadrick,1994 Terence with an English Translation Terence,1920 **Not Just a Man's Problem** Eden Simmons,2022-04-29 The deepest most robust fear I felt growing up as a female in the Christian church was being honest about my deepest struggle pornography The idea of opening up about my secret sin was almost unthinkable I swore to never confess because I truly thought I was the only one who had ever had this problem and this desire I hit a breaking point and couldn't hold in my secret any longer Sharing with another woman was one of the most frightening things I have ever done but the wave of relief of knowing that I wasn't alone was worth it all From that point forward the Lord began to show me through the power of vulnerability that I wasn't alone in this battle A battle I thought only men were supposed to deal with turned out to be a burden that too many of us women were carrying in silence I began to share my story openly with those around me and my life was never the same Hearing other women's stories brought such a profound sense of freedom I began to think that there must be a way more women could hear each other's real stories That's when I realized there is such a great need for resources on this topic What better way to break down walls than by sharing women's real experiences accompanied with solid biblical truth Thus this book was born Not Just a Man's Problem contains 11 chapters seven of which are testimonies from women ages 19-26 centered around their personal struggles with pornography The other four chapters are topical research based chapters with topics including biblical sexuality masturbation parenting and shame These chapters work together to reveal the reality that pornography is not just a man's problem *An English Translation of the Tantra-vārtika of Kumāṛila Bhaṭṭa* Kumāṛila Bhaṭṭa,1800 **Preaching the Hard Words of Jesus** Steven D.
