Qashqa i a rural nomadic tribally organized Turkish speaking ethnic minority of a million and a half people who are dispersed
across the southern Zagros Mountains Analysing the relationship between the tribal polity and each of the two regimes the
book goes on to explain the resilience of the people s tribal organizations kinship networks and politicized ethnolinguistic
identities to demonstrate how these structures and ideologies offered the Qashqa i a way to confront the pressures
emanating from the two central governments Existing scholarly works on politics in Iran rarely consider Iranian society
outside the capital of Tehran and beyond the reach of the details of national politics Local level studies on Iran accounts of
the ways people actually lived are now rare especially after the revolution Based on long term anthropological research
