

The background of the cover features a detailed illustration of various microscopic organisms. In the foreground, there are several large, spherical, yellowish-brown structures, possibly representing fungi or algae, with internal orange-red details. A prominent, elongated, branching structure with a reddish-orange core and yellowish exterior extends across the middle. Other smaller, similar spherical structures are scattered in the background, some appearing more translucent. The overall color palette is dominated by yellows, oranges, and reds against a dark background.
