It tells of the plight of the lower class in Manchester during the 1830s and 1840s. Contrasting the gap between rich and poor, the first half of the novel tells of the humble lives of the Barton and Wilson families, the extreme poverty of the Davenports, and the luxurious life of the Carsons. Symbolically, John Barton receives five shillings for selling most of his worldly possessions. Henry Carson has this as loose change in his pocket. The second half of the novel comes to grips with a plot to murder. Mary Barton Elizabeth Gaskell, 1997-04-01 O Jem, her father won't listen to me, and it's you must save Mary. You're like a brother to her. Mary Barton, the daughter of disillusioned trade unionist, rejects her working class lover Jem Wilson in the hope of marrying Henry Carson, the mill owner's son, and making a better life for herself and her father. But when Henry is shot down in the street and Jem becomes the main suspect, Mary finds herself painfully torn between the two men. Through Mary's dilemma and the moving portrayal of her father, the embittered and courageous activist John Barton, *Mary Barton* 1848 powerfully dramatizes the class divides of the hungry forties as personal tragedy. In its social and political setting, it looks towards Elizabeth Gaskell's great novels of the industrial revolution, in particular *North and South*. In his introduction

Maconald Daly discusses Elizabeth Gaskell's first novel as a pioneering book that made public the great division between rich and poor a theme that inspired much of her finest work *Mary Barton*. Elizabeth Cleghorn Gaskell, 2018-05-02 *Mary Barton* is the first novel by English author Elizabeth Gaskell published in 1848. The story is set in the English city of Manchester between 1839 and 1842 and deals with the difficulties faced by the Victorian working class. It is subtitled *A Tale of Manchester Life*. The novel begins in Manchester where we are introduced to the Bartons and the Wilsons, two working class families. John Barton is a questioner of the distribution of wealth and the relations between rich and poor. Soon his wife dies; he blames it on her grief over the disappearance of her sister Esther. Having already lost his son Tom at a young age, Barton is left to raise his daughter Mary alone and now falls into depression and begins to involve himself in the Chartist trade union movement. Chapter 1 takes place in countryside where Moss Side is now. Mary takes up work at a dressmaker's, her father having objected to her working in a factory and becoming subject to the affections of hard-working Jem Wilson and Harry Carson, son of a wealthy mill owner.

As the work was re-created from the scratch, therefore it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content, pages, and/or other related subject matters upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional/unintentional omission of content in the original edition were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work. We believe that this work holds historical, cultural, and/or intellectual importance in the literary works community; therefore, despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs.
