

PowerPoint 2010 Practice Exercises: Self-Paced Training

EXERCISE 1: FORMAT TEXT AND ADD SLIDES

Here's your chance to be hands-on with PowerPoint 2010.

1. Make sure the **Home** tab is displayed.
2. Now, change the color of the words "Getting oriented" on slide 1. Select the text, and in the **Font** group, click the arrow next to **Font Color** . In the color choices that appear, under **Theme Colors**, select a new color for the text.
3. With "Getting oriented" still selected, look in the **Font** group for **Character Spacing** . Click its arrow and point to **Tight** and **Loose** to see a preview of each; select any item on the menu.
4. Make sure "Getting Oriented" is still selected. Another way to open the **Font** dialog box options is to click the dialog box launcher , the small arrow in the lower-right corner of the **Font** group. Click it now. The dialog box opens with the **Font** tab displayed. You might prefer to work in this dialog box for some font options.

Tip When you're searching for options you remember from an earlier PowerPoint version, look for a dialog-box-launcher arrow in the group.

5. Another aid in formatting is the **Mini toolbar**. Select the text "Jump in to 2010," and leave the mouse positioned on the selection.

The **Mini toolbar** appears faded to the top right of the words you have selected. Hover the mouse pointer over the **Mini toolbar** to make it solid, then click the **Italic** button to format this text. Simply move your mouse away from the **Mini toolbar** to make it disappear.

6. Now, reselect "Getting oriented," and look at the **Paragraph** group on the ribbon. You'll see that **Center** is selected for the text's position.

Click **Align Text Left**  and **Align Text Right**  to see how those selections affect the position of the text.

7. Keep the **Home** tab displayed on the ribbon, and now, add a new slide to the presentation. First, click under the last slide in the presentation in the **slides list** on the left side of the screen. In the **Slides** group on the **Home**

tab, click the arrow next to **New Slide**
