Citizenship

Legal Permanent resident	Someone who permanently lives in the U.S., but is not a <u>citizen</u> .
Immigration	Someone who moves from one country to another country.
Law of <u>Blood</u>	If your parents are U.S. citizens, you are a U.S. <u>citizen</u> .
Law of <u>Soil</u>	If you are born on U.S. soil, you are automatically a <u>citizen</u> .
Selective Service System	Men between 18 and 25 are signed up and can be drafted into war if needed.
Definition of Citizenship (14 th amendment)	Anyone who is <u>born</u> or <u>naturalized</u> is a U.S. citizen.

Why is it important to fulfill our obligations of citizenship?	When citizens meet their obligations to the government, they are making the United States a safer and better place to live. By following the law and not committing crimes, communities are less dangerous places. By paying taxes, citizens are making sure that the government can afford to provide services that benefit the general public. By defending the nation if asked to do so, citizens are making sure that those who live in the United States are protected from enemies who may hurt us. By serving on juries, citizens are making sure that the right to a trial by jury is protected.
Why is it important for citizens to be active participants in the community?	Community service helps the common good. It benefits everyone when a citizen sees a need in his or her community and takes that extra step to find the solution.
