Manual For Doing Cultural Anthropology:

Field Ethnography Paul Kutsche,1998 For undergraduate level courses in Ethnographic Field Methods and Introduction to Cultural Anthropology Unlike other ethnographic field manuals which are either written for the graduate or professional levels or are narrowly restrictive in their methodological approach this manual focuses specifically on the needs of introductory level students It takes them by the hand and leads them step by step through the entire process through tasks that range from simple to complex and that invite students to use their own lives as tools to understand various categories of culture This task oriented and reflective approach makes this the first field manual to emphasize the investigative instrument the ethnographer as well as the cultural situations informants and techniques of analysis **Field Ethnography a Manual**
