The Essential Guide for the Married Man E Paul Allerton, 2020-12-02 Marriage and becoming a father are two of the most important Rites of Passage in a man s life Unfortunately our society no longer recognizes them as such nor do the elder men prepare counsel and train the younger men to succeed in these endeavors As a result good men and women enter marriage with false expectations and misconceptions about how to create a successful marriage and a meaningful life There is hope If you are struggling losing faith in your marriage don t quit You can learn and master the principles to be successful end the conflict save your marriage and restore your family If you are not married you can prepare yourself to enjoy the best that a lifelong marriage can bring You can lead your family to thrive providing your children a secure and loving home At the end of the day it all comes down to your ability to lead yourself and then your ability to lead your family based on your actions The direction of your leadership comes from the foundation of your life your purpose Your purpose will determine the qualities of character that you must develop You must consciously choose and master the attitude necessary to sustain the self discipline to navigate the storms of life so that you can serve your purpose If you remain focused on these four attributes of your life and firmly rooted in your values you will create an amazing legacy for yourself your wife your children and your community Truly practical guidance for real success

Loving a Married Man Kaylynn Thomas, 2016-03-20 Victoria Thompson was a thirty five year old business owner of Thompson Advertising Agency Her business was soaring until she landed the Healthy Pets accounts She hired a new employee Marcus Mackenzie who she later found out was married to lend a hand from a suggestion made by her best friends and to each other significant Ronald and Marty Not long after an affair began Even after she learned Marcus was married Victoria found it hard to let go of that tall dark and handsome male phenomenon No man had ever touched her G H or I spot the way he had He had cast his spell and she was more than willing to fall under his curse However sleeping with a married man was the least of my worries Someone was stalking me and wanted me dead Could it be his wife an ex lover a disgruntled employee or a family member Having an affair with a married man can be deadly I craved that man My every

thought centered on his existence I needed his touch as I needed air to breathe His presence sent spirals of ecstasy up and down my spine His million dollar smile penetrated my soul The scent of his Versace cologne would send me into a state of stupor I would wake in the middle of the night and wonder if he was sleeping calmly His voice was intoxicating Just hearing him speak sent my southerly erogenous zone into a frenzy His essence was charismatic and erotic His walk was bravura his demeanor was extreme his lips were captivating and his touch was bewitching I was raised to respect the sanctity of marriage What God had joined together no man nor woman shall come amid is what my mother used to say We my sister Joni and I were taught that seeing a married man makes you his number two My mother did not raise her daughters to become anyone s number two After finding out my beloved were married I was heartbroken Still I found it hard to let go of that male phenomenon Through the eyes of god and by the laws of man I had become a number two He had conjured a spell and I had fallen under his curse as a willing participant My name is Victoria Thompson and this is my chronicle Confessions of a Happily Married Man Joshua L. Rogers,2019-12-17 Discover God in the messiness of your marriage as popular marriage and family columnist Joshua Rogers offers spouses hope with real life stories from his own marriage and helps you see how God is at work in the ordinary and extraordinary of your relationship Confessions of a Happily Married Man is a husband s painfully honest account of his first ten years of marriage It offers a window into the perspective of a man who went from hello to I do in nine months and then figured out how hard marriage could be When Joshua Rogers thought back on the marriage books he had read or sermons about marriage he had heard it occurred to him that he could only remember one thing about them the stories That s why this book is anchored by stories that other couples will relate to and can easily learn from The stories are cringe worthy humorous inspiring heart breaking and full of wisdom but the author isn t telling the reader what to do with that wisdom He s letting the reader learn along with him as he s gradually becoming more self aware increasingly grateful for his wife and surprised to discover what God is doing in the middle of it all Forbidden Love with a Married Man, E-mail Diaries Dennis J.
