the enemy camp this ninja book unveils secrets long lost Along with its practical applications this book is an important guide to the mental discipline that ninjas must have to ensure success in accomplishing their mission True Path of the Ninja covers the following topics What a ninja is and what equipment he needs The skills of infiltration and information gathering How to disrupt and distract the enemy How to be mentally prepared to carry out ninja missions In addition to the translation of the Shoninki this book also includes the first written record of the oral tradition Defense Against a Ninja taught by Otake Risuke the revered sensei of the legendary Katori Shinto Ryu school of swordsmanship Sensei reveals for the first time these ancient and traditional teachings on how the samurai can protect himself from the cunning wiles of a ninja About this new edition This second edition contains a new introduction by the translator and has been thoroughly updated to reflect developments that shed new light on the original Japanese text
