**The Endermen Invasion** Winter Morgan, 2014-11-18 Will a griefer destroy Steve's hope of winning the elite building competition This adventure series is created especially for readers who love the fight of good vs evil magical academies like Hogwarts in the Harry Potter saga and games like Minecraft Terraria and Pokemon GO In this third installment of the Minecraft Gamer's Adventure series Steve is invited to participate in an elite building competition on Mushroom Island His friends Max Lucy and Henry are impressed and want to join their friend on a journey to the island Yet not everyone is happy Steve's neighbor Kyra is upset because she wasn't chosen as a contestant Steve asks Kyra to come to the competition and help the gang build boats to get to Mushroom Island She agrees and the group sets out on an adventure to the contest Getting there is half the fun and the group treks through the jungle where they find a rare temple filled with treasure But getting the treasure isn't easy and they have to fight fierce battles to continue their journey After their exhilarating and rewarding journey to the contest they finally make their way onto the island and meet the judges as well as the other four contestants whose egos are as big as the houses they are building Steve builds his dream house to impress the judges but just as they begin judging the island is overrun with Endermen Mushroom islands are known for not having hostile mobs so everyone knows it's the work of a griefer Is it one of the contestants Nobody knows but they all have to work together to battle this invasion of the Endermen Will they be able to defeat the Endermen and find out who the griefer is And who will win the building contest Find out in this thrilling third installment of the Minecraft Gamer's Adventure series Sky Pony Press with our Good Books Racehorse and Arcade imprints is proud to publish a broad range of books for young readers picture books for small children chapter books books for middle grade readers and novels for young adults Our list includes bestsellers for children who love stories told with LEGO bricks books that teach lessons about tolerance patience and the environment and much more We also publish books for fans of Minecraft and Pokemon GO including books full of useful hacks tips and tricks as well as Minecraft adventure stories for readers who love the fight of good vs evil and magical academies similar to Hogwarts in the Harry Potter saga While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

*The Microgenre* Anne H. Stevens, Molly C. O'Donnell, 2020-01-23 Everybody knows and maybe even loves a microgenre Plague romances and mommy memoirs Nudie cutie movies Nazi zombies and dinosaur erotica Baby burlesks Minecraft fiction grindcore premature ejaculation poetry microgenres come in all varieties and turn up in every form of media under the sun tailor made for enthusiasts of all walks of life Coming into use in the last decade or so the term microgenre classifies increasingly niche marketed worlds in popular music fiction television and the Internet Netflix has recently highlighted our fascination with the ultra niche genre with hilariously specific classifications independent supernatural dramedy featuring a strong female lead that can sometimes hit a little too close to home Each

contribution in this collection introduces readers to a different microgenre drawn from a range of historical periods and from a variety of media The Microgenre presents a previously untreated point of cultural curiosity revealing the profound truth that humanity's desire to classify is often only matched by the unsustainability of the obscure and hyper specific It also affirms in colorful detail what most people suspect but have trouble fathoming in an increasingly homogenized and commercial West that imaginative projects are just that imaginative diverse and sometimes completely and hilariously inexplicable

*Escape from the Overworld* Danica Davidson, 2015-01-06 Minecraft spills into the real world Funny and exciting two kids team up to save two worlds Classic good vs evil story perfect for readers aged 7 to 12 Perfect for fans of Harry Potter and games like Minecraft Terraria and Pokemon GO From the publisher of *The Quest of the Diamond Sword* and *Battle of the Nether* Imagine a world where your favorite video game and your average day at school collide That's what Stevie and Maison discover shortly after Stevie escapes the Minecraft world and slips into ours Neither Stevie nor Maison feel at home in their own worlds Stevie was just exploring when he stumbled into our world but it opened the way for all sorts of Minecraft mayhem Now these kids must work together to save both worlds and themselves More and more creatures are slipping out by the second wreaking havoc on a world that has no idea how to handle zombies creepers giant spiders and the like Stevie and Maison must put their heads together and use their combined talents in order to push the zombies back into Minecraft where they belong As Stevie and Maison's worlds become more combined their adventure becomes intense and even more frightening than they could have ever imagined Sky Pony Press with our Good Books Racehorse and Arcade imprints is proud to publish a broad range of books for young readers picture books for small children chapter books books for middle grade readers and novels for young adults Our list includes bestsellers for children who love to play Minecraft stories told with LEGO bricks books that teach lessons about tolerance patience and the environment and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
