AMERICAN LIFE: ONE MAN'S ROAD TO WATERGATE JEB STUART MAGRUDER,1974 Long Road Home Yong Kim,2009-06-19 Kim Yong shares his harrowing account of life in a labor camp a singularly despairing form of torture carried out by the secret state Although it is known that gulags exist in North Korea little information is available about their organization and conduct for prisoners rarely escape both incarceration and the country alive Long Road Home shares the remarkable story of one such survivor a former military official who spent six years in a gulag and experienced firsthand the brutality of an unconscionable regime As a lieutenant colonel in the North Korean army Kim Yong enjoyed unprecedented privilege in a society that closely monitored its citizens He owned an imported car and drove it freely throughout the country He also encountered corruption at all levels whether among party officials or Japanese trade partners and took note of the illicit benefits that were awarded to some and cruelly denied to others When accusations of treason stripped Kim Yong of his position the loose distinction between those who prosper and those who suffer under Kim Jong il became painfully clear Kim Yong was thrown into a world of violence and terror condemned to camp No 14 in Hamkyeong province North Korea s most notorious labor camp As he worked a constant shift 2 400 feet underground daylight became Kim s new luxury as the months wore on he became intimately acquainted with political prisoners subhuman camp guards and an apocalyptic famine that killed millions After years of meticulous planning and with the help of old friends Kim escaped and came to the United States via China Mongolia and South Korea Presented here for the first time in its entirety his story not only testifies to the atrocities being committed behind North Korea s wall of silence but also illuminates the daily struggle to maintain dignity and integrity in the face of unbelievable hardship Like the work of Solzhenitsyn this rare portrait tells a story of resilience as it reveals the dark forms of oppression torture and ideological terror at work in our world today *Korea Today* ,1994
