Mystic Christianity Or The Inner Teachings Of The Master:

MYSTIC CHRISTIANITY Or, The Inner Teachings of the Master YOGI RAMACHARAKA, Mystic Christianity William Walker Atkinson, 2024-01-17 Strange rumors reached the ears of the people of Jerusalem and the surrounding country It was reported that a new prophet had appeared in the valley of the lower Jordan and in the wilderness of Northern Judea preaching startling doctrines His teachings resembled those of the prophets of old and his cry of Repent Repent ye for the Kingdom of Heaven is at hand awakened strange memories of the ancient teachers of the race and caused the common people to gaze wonderingly at each other and the ruling classes to frown and look serious when the name of the new prophet was mentioned The man whom the common people called a prophet and whom the exalted ones styled an impostor was known as John the Baptist and dwelt in the wilderness away from the accustomed haunts of men He was clad in the rude garments of the roaming ascetics his rough robe of camel s skin being held around his form by a coarse girdle of leather His diet was frugal and elemental consisting of the edible locust of the region together with the wild honey stored by the bees of the wilderness In appearance John whom men called the Baptist was tall wiry and rugged His skin was tanned a dark brown by the winds and sun which beat upon it unheeded His long black hair hung loosely around his shoulders and was tossed like the mane of a lion when he spoke His beard was rough and untrimmed His eyes gleamed like glowing coals and seemed to burn into the very soul of his hearers His was the face of the religious enthusiastic with a Message for the world This wild prophet was most strenuous and his teachings were couched in the most vigorous words There was no tact policy or persuasion in his message He hurled his verbal thunderbolts right into his crowd the very force and earnestness emanating from him serving to charge his words with a vitality and magnetism which dashed itself into the crowd like a spark of electricity knocking men from off their feet and driving the Truth into them as if by a charge of a powerful explosive He told them that the spiritual grain was to be gathered into the garners while the chaff was to be consumed as if by a fiery furnace that the axe was to be laid to the root of the trees which brought not forth good fruit Verily the Day of Jehovah long promised by the prophets was near to hand to his hearers and followers John soon gathered to himself a following the people flocking to him from all parts of the country even from Galilee His followers began to talk among themselves asking whether indeed this man were not the long promised Master the Messiah for whom all Israel had waited for centuries This talk coming to the ears of the prophet caused him to answer the question in his discourses saying There cometh one mightier than I after me the latchet of whose shoes I am not worthy to stoop down and unloose he that cometh after me is mightier than I And thus it became gradually known to his following and the strangers attending his meetings that this John the Baptist mighty preacher though he be was but the herald of one much greater than he who should follow that he was the forerunner of the Master according to the Oriental imagery which pictured the forerunner of the great dignitaries running ahead of the chariot of his master crying aloud to all people gathered on the road that they must make way for the approaching great man shouting

constantly Make ye a way make ye a way for the Lord And accordingly there was a new wave of excitement among John s following which spread rapidly to the surrounding country at this promise of the coming of the Lord the Master perhaps even the Messiah of the Jews And many more came unto John and with him waited for the Coming of the Master Mystic Christianity; Or, The Inner Teachings of the Master William Walker Atkinson, 2019-11-25 In Mystic Christianity Or The Inner Teachings of the Master William Walker Atkinson ventures into the profound spiritual insights of Christianity reframing traditional dogma through an esoteric lens Employing a straightforward yet contemplative literary style Atkinson elaborates on the mystical dimensions of Christian teachings focusing on personal transformation and the inner experiences that lead to spiritual awakening This work is positioned within the broader context of the New Thought movement reflecting an era that sought to reconcile religion with emerging psychological and metaphysical ideas thereby inviting readers to explore deeper truths beyond conventional scriptural interpretations William Walker Atkinson was a prolific writer and a pivotal figure in the New Thought movement known for his exploration of metaphysics self help and spiritual philosophy His background in law coupled with deep interests in philosophy and mysticism uniquely equipped him to challenge the orthodox perspectives of his time Atkinson s journey through various spiritual practices including yoga and Eastern philosophies profoundly influenced his writings and propelled him to delve into the mystical essence of Christianity offering alternative viewpoints to Western religious thought I highly recommend Mystic Christianity to those who seek a richer understanding of Christ s teachings beyond the dogmatic boundaries of organized religion Atkinson s insights encourage readers to embark on a personal quest for spiritual authenticity making this book an essential read for anyone interested in the intersections of faith mysticism and personal growth **Mystic Christianity** Yogi Ramacharaka, 2014-01-06 In Mystic Christianity Religion Philosophy and Science are known to be one and the same thing There is no conflict between Science and Religion Philosophy and Religion or Philosophy and Science They are all but names for the One Truth There be but one Truth there cannot be more than one And so call it by the name of Religion the name of Science the name of Philosophy it matters not for the same thing is meant There is naught but Truth Nothing else really exists All that is not Truth is Illusion Maya Nothing And Mystic Christianity is based upon the Rock of Truth fearing not the winds nor the storms that try out the stability of all structures of thought Like its founder it has always existed always will exist from the Beginningless Beginning to the Endless Ending LESSON 1 The Coming of the Master 2 The Mystery of the Virgin Birth 3 The Mystic Youth of Jesus 4 The Beginning of the Ministry 5 The Foundation of the Work 6 The Work of Organization 7 The Beginning of the End 8 The End of the Life Work 9 The Inner Teachings 10 The Secret Doctrine 11 The Ancient Wisdom 12 The Message of the Master *Mystic Christianity the Inner Teachings of the Master* Yogi Ramacharaka, Summit Classic Press, G. Edward Bandy, 2014-07-03 For over 100 years western students have been aided by the teachings of Yogi Ramacharaka Generations of students have found the study of the Ramacharaka texts and the practice of his teachings to be a valuable step in the attainment of wisdom awareness and

improved health of mind body and spirit This collector quality edition includes the complete text of this enduring classic in a freshly edited and newly typeset edition With a generous 6x9 page size this Summit Classic edition is printed on heavyweight bright white paper with a fully laminated cover featuring an original full color design Also included is an original detailed biographical sketch discussing the life and work of the secretive author Mystic Christianity is a comprehensive study of the influence and impact of the beliefs concepts principles and philosophy of ancient Judaic and eastern mysticism and the Kabbalah on the religion of Christianity Presented in a straightforward manner in plain language the text guides the reader through a study of the ancient mystic and occult doctrines which form the basis of much of the Christian Doctrine as presented in the New Testament of the Christian Bible Drawing on both ancient and more modern sources the text sheds light on many of the most confusing mysterious and paradoxical episodes in the life teaching and philosophy of Jesus Christ revealing Him not as the creator of an entirely new belief system but as the master and teacher of an ancient system of knowledge and beliefs comprising the Inner Teachings previously known only to a handful of initiates Whether as an introduction for beginners or a self study guide for more advanced readers the systematic straightforward style of the work makes the often abstract and mysterious concepts accessible to all readers as it explores the role of ancient wisdom and knowledge in the teachings of Jesus and the later entry through various means of concepts which distorted and confused the original message of the Master a message of the oneness of the universe and the place of man collectively and individually in that universe a universe where there are universal laws at work and universal truths at the heart of existence Like much of the author s work the text teaches that the discovery and understanding of these universal laws and truths can be applied to improve the life of the individual and that humankind s growth and development is an ongoing process which should be directed at the discovery and application of these principles But the message is also directed to each individual for each individual is capable of understanding some part of the universal truth and the application of that part which is within the grasp of the individual will further the mental and spiritual growth and development of that individual This book is most emphatically NOT an overt rejection of Jesus or his teachings or the central message of Christianity But it strips away layers of misleading information added to that message in the ensuing years by often well meaning disciples and believers who confused and obscured the real teachings of Jesus teachings grounded in an ancient and mysterious wisdom
