Patricella, 2024-11-19 In the winter of 2003 I asked my Grandmother to teach me how to knit I took to it quickly and began knitting my own sweaters and accessories almost immediately I started teaching beginner knitting at local yarn shops and art spaces a few years later I also did yarn bombing exhibited in galleries sold my hand knit accessories at local boutiques and worked part time at local yarn shops helping people with their own knit projects It wasn't until the spring of 2013 after I had my first son that I decided to try my hand at pattern writing in an effort to work from home In the winter of 2015 I came across a dress pattern by Stephen West that would change my life I'd never seen the stitch before and knew as soon as I saw the fabric that I had to learn how to make it I had no idea how much this magic little stitch would influence my creativity The fabric was unique it had a clear background and foreground there were two colors and it was reversible I made it my mission to learn how to make it and went on to knit my dream dress using the brioche technique After finishing I was hooked I was inspired to design simple patterns then more complex ones I started teaching my first brioche classes at Conversational Threads Fiber Arts Studio in the summer of 2015 Before I knew it I was traveling around the country teaching knitters my favorite new stitch Here we are almost a decade later and not much has changed I'm still in love with the stitch and still teaching dozens of people how to knit it every month It's not a terribly hard stitch to learn but there are certain knitting rules that get broken or bent with brioche Understanding the dynamics of how this fabric is made can really speed the learning process along My hope with this book is to share with you what I've learned through years of teaching both beginner and advanced knitters about how to navigate the unique construction and terminology needed to knit this beautiful fabric successfully You'll find clear written instructions with accompanying photographs along with a collection of 15 patterns designed to follow you through your journey from mastering the beginning steps to more advanced skills I also hope this book serves as a good reference for those who know how to work brioche but need a refresher or are just looking for some inspiration *Knitting Brioche for Learner's* Karen Shaw, 2022-02-27 Brioche knitting is a distinctive knitted ribbing technique that is recognizable by its heightened doughy texture Brioche stitch is a fun way to add color and texture to a knitting project It's super warm and springy Brioche Stitch creates a wonderfully lofty widely ribbed fabric People often find it intimidating perhaps due to the yarn overs or maybe because of the abbreviations used in the pattern but really this stitch pattern is surprisingly easy GET YOUR COPY NOW BY SCROLLING UP AND CLICKING BUY NOW *Knitting Brioche* Nancy Marchant, 2009-12-16 Hungry for new knitting techniques Try knitting brioche Knitting Brioche is the first and only knitting book devoted exclusively to brioche stitch a knitting technique that creates a double sided fabric This complete guide will take you from your first brioche stitches to your first or hundredth project and even to designing with brioche stitch if
