once told me that I was a Sacred Prostitute She explained that a Sacred Prostitute is someone who soothes nurtures and heals another and then sends them on their way to find their true destiny a better more emotionally complete person for the experience I was initially confused but eventually relieved and elated by this possibility I sometimes felt guilty because it wasn't possible for me to ignore a woman who was strong or beautiful or talented or sweet I had many deep but relatively short lived relationships I was in love with many of these women I respected and admired every single one of them I found them simply amazing I was never looking for notches on a bedpost only searching for my one true Love Many left me and moved on found another I was left alone again and again wondering But maybe there was a reason for such an active lovelife Maybe I really am a Sacred Prostitute After all very few of the women seemed to hate me when we parted And most were married shortly after their time spent with me I can't tell you why I was chosen as a Sacred Prostitute I can't tell you how to become one yourself But in this book I share the journeys the thoughts and passions of 89 women that loved one in their own words
