reputations The book also considers how well the EU and the US take these questions into account in balancing the interests of trade mark owners their competitors and the public through the dilution action Dilution is at the cutting edge of trade mark law extending its protection beyond traditional boundaries to situations where defendants using trade marks are not causing confusion This book provides practitioners with all the information they need both to protect trade marks against dilution and to prevent them being the subject of dilution claims

Consumers Digest ,1985 *Consumer Union Reports* ,1969

Costumes & Chemistry Sylvia Moss,2001 Based on 14 years of research and experiment with plastics and various non traditional materials this book supplies information to designers and interpreters on specialized techniques for use in costumes for theatre film and TV Also included are charts detailing the effects of dry cleaning and laundering on adhesives coatings colourings and metallisers allowing the designer to make appropriate choices for specific needs and longevity This reference delivers many exciting new choices to designers and craftspeople with the bonus of improved safety maintenance comfort for the wearer and visual effects for the audience
