INSTRUCTIONS TO CANDIDATES

Write your name and index number in the spaces provided above.

Sign and write the date of the examination in the spaces provided above.

This paper consists of SEVEN questions.

Answer any FIVE questions.

All questions carry equal marks.

Write your answers in the spaces provided in this question paper.

Do NOT remove any pages from this question paper.

Candidates should answer the questions in English.

For Examiner's Use only

Question	1	2	3	4	5	6	7	TOTAL SCORE
Candidate's Score								

This paper consists of 16 printed pages.

Candidates should check the question paper to ascertain that all the pages are printed as indicated and that no questions are missing.

Knec July 2015 Technical Exam

Umesh Ramnarain

Knec July 2015 Technical Exam:

The Fabric of Peace in Africa Pamela Aall, Chester A. Crocker, 2017-06-05 Africa has experienced dozens of conflicts over a variety of issues during the past two decades Responding to these conflicts requires concerted action to manage the crises the violence the political discord and the humanitarian consequences of prolonged fighting It is also necessary to address the long term social and economic impacts of conflict to rebuild communities societies and states that have been torn apart To accomplish this requires the involvement of institutions and groups rarely considered in formal official African conflict management activities schools universities religious institutions media commercial enterprises legal institutions civil society groups youth women and migrants These groups and organizations have an important role to play in building a sense of identity fairness shared norms and cohesion between state and society all critical components of the fabric of peace and security in Africa This volume brings together leading experts from Africa Europe and North America to examine these critical social institutions and groups and consider how they can either improve or impede peaceful conflict resolution The overarching questions that are explored by the authors are What constitutes social cohesion and resilience in the face of conflict What are the threats to cohesion and resilience And how can the positive elements be fostered and by whom The second of two volumes on African conflict management capacity by the editors *The Fabric of Peace in Africa* Looking beyond the State opens new doors of understanding for students scholars and practitioners focused on strengthening peace in Africa the first volume *Minding the Gap African Conflict Management in a Time of change* focused on the role of mediation and peacekeeping in managing violence and political crises *Handbook of Research on Digital Content, Mobile Learning, and Technology Integration Models in Teacher Education* Keengwe, Jared, 2017-07-13 While many facets of our lives are rapidly becoming more digital educational institutions are now faced with the task of finding new and innovative ways to incorporate technology into the classroom Examining the latest trends in digital tools provides a more effective learning environment for future generations The *Handbook of Research on Digital Content Mobile Learning and Technology Integration Models in Teacher Education* is a pivotal scholarly reference source that outlines the most efficient ways for educators to employ technology enhanced lesson plans in their classroom Featuring pertinent topics that include blended learning environments student engagement artificial intelligence and learner centered pedagogy this is an ideal resource for educators aspiring teachers and researchers that are interested in discovering recent trends and techniques related to digital learning environments and technology enhanced classrooms **School Science Practical Work in Africa** Umesh Ramnarain, 2020-06-01 *School Science Practical Work in Africa* presents the scope of research and practice of science practical work in African schools It brings together prominent science educators and researchers from Africa to share their experience and findings on pedagogical innovations and research informed practices on school science practical work The book highlights trends and patterns in the enactment and role of practical work across African countries Practical work is

regarded as intrinsic to science teaching and learning and the form of practical work that is strongly advocated is inquiry based learning which signals a definite paradigm shift from the traditional teacher dominated to a learner centered approach The book provides empirical research on approaches to practical work contextual factors in the enactment of practical work and professional development in teaching practical work This book will be of great interest to academics researchers and post graduate students in the fields of science education and educational policy The Sustainability of Higher Education in Sub-Saharan Africa Peter Neema-Abooki,2024-07-02 This book delves into the role of higher education as a means of sustainable development in Sub Saharan Africa Contributions from across the region examine the strategies and technological advances available to enable students to deal with an uncertain future and are organised under two key themes Curriculum and Teaching and Higher Education and Innovations The volume brings together theoretical and practical perspectives relating them to international benchmarks while maintaining the specificities of the African context It will be of interest to students and scholars as well as practitioners whose work interrogates higher education quality assurance and sustainable development goals
